Why We Can GUARANTEE

BLUE RIBBON EGGS

We guarantee them because we know they're good. We know this because every egg that you take from a sealed Blue Ribbon carton has been "candled" by one of our experts. You don't have to take the farmer's or the grocer's guess for the goodness of Blue Ribbon Eggs—we guarantee them—we know they're strictly fancy.

We KNOW so much about Blue Ribbon Eggs that we sell them under a money-back guarantee and at a price surprisingly reasonable. Most dealers handle Blue Ribbon Eggs. Order a carton today. Make up your mind now to have good eggs.
