**EPISCOPAL MEN TO HEAR FATHER SILL**

Master of Kent School Will Speak At Corporate Services.

Clergyman, Noted As Pulpit Orator, Is Member of Order of Holy Cross.

For several weeks past there has been a movement afoot among a number of the laymen of the local Episcopal parishes to hold a church service designed especially for the men of the Episcopal churches in Bridgeport. So well has the idea been received that arrangements have been completed for a corporate communion service of Bridgeport's Episcopal men to be held next Sunday morning at 8 o'clock at Trinity Church, Fairfield avenue and Broad street, when the Rev. Frederick H. Sill of the Order of the Holy Cross will be the celebrant. An invitation is extended to all the Episcopal men of the city to attend this service. Trinity Church is selected as the place for the corporate communion service because of its central location.

On Saturday night, there will be a preparatory service for the corporate communion of Sunday morning. At this service Father Sill will also be the speaker. The Rev. Frederick H. Sill is head master of The Kent School for Boys. He has spoken in Bridgeport previously to this time, and is regarded by the people of this city as one of the most forceful and appealing orators of the Episcopal Church.

Next Sunday evening, there will be a mass meeting of the men and women of the Episcopal Church of this city and their friends at St. Paul's Church on Kossuth street. Father Sill will be the preacher. The service will begin promptly at 7:30 and already over 200 men have signified their intention of being present.

From present indications it is believed that nearly 500 of the men and boys, communicants of the Episcopal Church in Bridgeport will attend the corporate communion service at Trinity Church on Sunday morning, as well as the preparatory service at the same church building on Saturday night.

**GERMAN REFORMED CHURCH TO OBSERVE PASTOR'S COMING**

The fifth anniversary of the pastorate of Rev. Herman G. Wiener of the German Reformed church will be observed by members of his congregation on Sunday. A special service is being arranged in which the choir, and the ladies' and children's societies connected with the church, will have a prominent part. Rev. Mr. Wiener is the second pastor the church has had since it was founded 45 years ago. The first pastor, the Rev. Caspar Brunner, served the church for 40 years. He died five years ago while still in charge of the congregation. Rev. Mr. Wiener was called by the congregation from the German Reformed church in Baltimore, where he had been pastor for 15 years.

During his pastorate in Bridgeport the membership and finances of the church has increased steadily. More than \$7,000 has also been expended on improvements. Electric lights are being installed in the church at present.

A reunion of old members of the congregation will be a feature of the services Sunday.

**SCOTT COMPANY MAKES LOWEST TERMINAL BID**

New London, Dec. 4.—It is conceded today by competing contractors that the T. A. Scott Company, of this city, has entered the lowest bid for the construction of the sub-structure of the state ocean steamship terminal in this city. The company's bid is estimated to be from \$15,000 to \$30,000 less than that of any competitor.

The harbor commission's engineers are engaged in figuring out the proposals and the exact amounts will be reported to the commission at its meeting in Hartford next week.

**DIAMONDS**

True facts regarding Buechler's fine diamonds. Despite their fine, pure color and high art cutting, despite their generally advanced prices of diamonds, these Buechler diamonds are inexpensive because we buy directly from importers and cutters, and mount them to suit customers. In our superb showing of diamonds, watches, jewelry, cut glass, silverware and sterling silver toilet articles, it is well to remember that we are rigid in the enforcement of standard quality, as in the maintenance of the most reasonable prices for which our store is well known.

The Christmas bride should insist on being wed with a Buechler's Luck wedding ring.
