

HIGH SCHOOL NOTES

It has been found necessary to make a change in the school program for next year that will affect the present junior and sophomore classes.

Tryouts for the freshman debating team were held at the school this afternoon.

Tardiness at the close of recess is to count the same as tardiness at the beginning of school.

Selden Tracy '15, will have charge of the stereopticon at the lecture to be given Sunday evening at a Warner hall.

Tomorrow afternoon at Seaside park the freshman baseball team will line up against the Hillman A. C. Play will begin at 2 o'clock.

If the gunboat Maghlar is detailed to Mexican waters, Louis Joyce of the junior class will go to the front.

The minstrel show scored a decided hit last evening at Warner hall. It will be produced again this evening and indications point to a crowded house.

IN FINANCIAL CIRCLES

New York, April 23.—Chairman Elliott of New Haven was in Wall street yesterday in an effort to close a final agreement on the plan to meet the \$4,000,000 notes which mature May 15.

Green earnings of Leitch Valley in March increased 125,000 compared with March a year ago, the first gain in gross receipts by the road since last June.

General Electric Co's annual report for the year ended December 31, 1913, shows net profits of \$12,949,577, equal to 12.2 per cent on the \$105,281,500 capital stock.

At the last semi-monthly meeting of Block Exchange governors which was held a few days ago, President Minton presided for the last time.

Wall street was not surprised at the passing of Missouri, Kansas & Texas preferred dividend notwithstanding the hopeful statement made by President Sillman a month or six weeks ago.
