BOARD TO CORRECT BUDGET MISTAKES

Common Council Asked to Cover Error in Tax Appropriation

The Board of Apportionment and Taxation last night voted to ask the Common Council to appropriate \$250 from the unappropriated revenue to cover a clerical error in the appropriation for the personal tax collectors. W. T. Hinks discovered the error and explained that it was an oversight for which he was responsible. After some discussion, it was decided to ask the Common Council for the money.

Sigmund Loewith presided as chairman in the absence of President A. M. Cooper. Mayor Wilson, at whose suggestion the monthly meeting was held, was not present. An error of \$200 in the sprinkling appropriation for the First District was also reported, but no action was taken, as B. D. Pierce, Jr., chairman of the sub-committee, was forced to leave the meeting early. Mr. Pierce said he believed the board couldn't make an appropriation after the February meeting and urged that the error be covered next year by a deficiency appropriation. The matter will be straightened out at the April meeting.

Again the board members had some discussion over the legality of the surplus fund, accumulated by the city auditor and used as working capital for running the city between the end of the fiscal year and the time when taxes come in. Many members urged that this fund be available for appropriations and the working capital be provided in other ways. City Auditor Keating will be asked to explain more fully the use and legality of the maintenance fund.

Y. M. C. A. BOYS PLAN BIG HOLIDAY WEEK

Although the warmth of spring is beginning to be felt in the air, and the cold of winter evenings is a thing of the past, it is not to be imagined that the Boys' department of the Y. M. C. A. has ceased its activities. The results attained by the big war game are now being manifested. The eighty odd new members secured during that time surely are a good lively bunch.

Next week is vacation week in the schools, but not so in this place. There will be more "doing" than ever. Included in the program for the holidays are the following events:

Monday, a trip through the American Graphophone Co. Tuesday, a day's hike under the leadership of Mr. Tucker. Wednesday, a trip through the Locomobile Co.; a big grammar school "rym" class. Friday, a trip through the Yost Typewriter and Ribbon factories; another hike.

On the following Monday there will be a department track meet. Sunday afternoon the popular walks and stories will be begun once more. During the month of April two big "stunts" are due to be pulled off. On the 10th the annual banquet; on the 26th a "camp-fest", to which all former or prospective campers are cordially invited.

DIED. MARSHALL.—In Stamford, March 15, Mrs. Charlotte Marshall, aged 84.

SLAIN MADERO'S WIDOW LEADS FAMILY CONFERENCE TO SECURE REVENGE FOR HUSBAND'S DEATH

New York, March 19.—Members of the Madero family who were driven out of Mexico after Francisco I. Madero, Jr., the ex-president, was slain are here planning to recover their lost property and re-establish themselves in Mexico again if the tide of affairs turns their way. Among the latest arrivals from Havana were Mrs. Sarah P. Madero, the widow, and her little nephew and nieces—Antonio, Mercedes and Maria Ziron. Also in the party were Madero's three sisters—Angela, Mercedes and Mrs. Rafaela Ziron, mother of the three children mentioned. Madero, the elder, had already arrived and was established with two of his children. There was a reunion following the arrival of the widow and the others, and plans were talked over for the future. Nothing definite was reached as far as was made public. Mrs. Madero is taking an active part in the family conferences.

MELLEN PROTESTS FULL CREW BILL

NEW HAVEN PRESIDENT WRITES GOVERNOR SULZER ABOUT MEASURE.

President Mellen of the New York, New Haven and Hartford railroad has written the following letter to Gov. Sulzer of New York, protesting against the so-called full crew bill: "I am advised you will shortly have before you a bill for approval which is known as the Jackson full crew bill, and I trust you will pardon me for bringing to your notice serious objections from the standpoint of a corporation doing a very large business within the State of New York.

"This lays down a rule providing for a certain number of men on each train regardless of the work of the train in question. "Express freight trains involving but little work, where the crew is rarely called upon to leave the caboose, and express passenger trains, where there is practically no work whatever devolving upon the crew, are required to be manned with substantially the same number of men as local trains, both passenger and freight, where there is a very large amount of work to be done and the size of the crew is regulated only by the number of cars in the train.

"Such a bill adds seriously to the operating expenses of railroads doing business within the State of New York and contributes in no way that I can see to the safety of passengers or performs any useful service in connection with the train. It adds in no way additional security.

"A similar bill was vetoed by your predecessor in office and also by Gov. Foss in Massachusetts.

"If the matter were left to the Public Service Commission and each train were manned according to the necessities of the work to be performed by the passage of legislation not dissimilar to that referred to in this letter

income limited (for it is well nigh impossible to secure any advance in the prices we receive for the transportation furnished) the enactment of such legislation into law by your approval will add to the burdens and lessen the efficiency of the transportation companies operating in your State."

JUDGE NOBBS SPEAKS.

Judge E. P. Nobbs gave an interesting address last evening before the members of Magna Charta lodge, Sons of St. George, his subject being "England and the American Colonies." John Smith presided and introduced Judge Nobbs, who handled his subject in a masterful manner. A social session followed.

Accepts Another Call. Rev. Mortimer P. Griffin, pastor of the Torrington Methodist Church for the last three years has accepted the invitation to become pastor of the Methodist Church at Northport, L. I.

In Receiver's Hands. Judge Burpee in the superior court has appointed Tyler Crotenden of Norwich temporary receiver of the American Shear & Knife Company of Woodbury. The application was by counsel for the stockholders and organizers. The company was founded in 1853. Its capital stock is \$100,000, and it employs eighty persons.

Boy Leaves Home. A week ago Friday Everett Judd, aged sixteen, left his home in New Milford and no word of him has been received since that time.

Two New Compositions.

At the June festival of the Litchfield County Choral Union to be held in the Music Shed at Norfolk, two new works will be produced. The composers honored this year are Edgar Stillman Kelley of Oxford, O., and Henry F. Gilbert of Cambridge. Mr. Kelley's offering for Norfolk is "A New England Symphony." For Norfolk Mr. Gilbert has written a "Negro Rhapsody" for orchestra. Both the Kelley and Gilbert works will receive first performances anywhere at the Norfolk festival, each conducted by its composer. Admission to the Norfolk festival is by invitation only.

"Best Tonic and Stimulant"

MR. FRED J. RICHTERS, 69 years old

"Duffy's Pure Malt Whiskey is invaluable when you are run down and depressed or convalescing from low fevers and other wasting diseases," says Mr. Fred J. Richters, at 150 Broadway, N. Y. City.

"As to my experience in using Duffy's Pure Malt Whiskey, it has done me a great deal of good. I am now 69 years of age and have used it for many years, and have been greatly benefited from its use. It is a wonderful tonic and nourishment. I have found it particularly valuable when the system is run down; also in recovering from sickness. It is beneficial in catarrh. I use no other tonic, and always have some on hand. I recommend it to all my friends, and know that it is a real tonic of high merit and should be in every household."

Duffy's Pure Malt Whiskey

As a body builder and tonic stimulant is one of the greatest strength-givers known to science. It is an absolutely pure distillation of malted grain, great care being used to have every kernel thoroughly malted. Its gentle and invigorating properties influence for good every important organ in the body. It makes the old feel young and keeps the young strong and vigorous. Prescribed by physicians and recognized as a family medicine everywhere. CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. Sold in SEALED BOTTLES ONLY—never in bulk. Look for the trade-mark—the "Old Chemist"—on the label, and make sure the seal over the cork is unbroken. \$1.00 a large bottle. Write for a medical booklet and doctor's advice, free. The Duffy Malt Whiskey Co., Rochester, N. Y.
