CHILDREN'S DAY AT M. E. CHURCH IN STRATFORD

Stratford Residents Kick Over Dust In Stratford Avenue—Young Holmes Injured.

(Special to The Farmer.) Stratford, June 16.—At the Methodist church yesterday Children's Day was observed with appropriate exercises. The classes of Mrs. Walter Hubbell, Mrs. Harry Fairchild, Miss Wellington, Mrs. Wallace, Miss Mill, Mrs. Clinton, Mrs. Olmstead, Miss Louise Barnum and Mrs. Walter Curtis. There was a solo by Myrtle Bretford and remarks by Rev. C. C. Carpenter, pastor of the church. Mr. Strout presided at the organ. Miss Marguerite Thompson played the piano, and Basil Merrill and Henry Anderson assisted with violin selections.

CUTS FOOT AND WRECKS BOAT. Wendell Holmes, son of Selectman John Holmes of South Main street, received a nasty cut on his foot Saturday when he slipped on a broken bottle. The sharp frayed edge of the broken bottle cut through his shoe and severed a small artery in the member. A temporary bandage was tied around his foot and he was escorted to his home, where it was reported today he was resting comfortably although much weakened by loss of blood.

Young Holmes was launching his house boat on the salt meadows at the rear of the Henry Meacham home on South Main street when he met with the accident. The boat which he was launching caught on the edge of the creek bank as the tide was going out and as a result it broke in two, splitting in the middle when the water which had been supporting it sank away from under the end of it. So what was intended to be a day of fun and having his house boat wrecked Saturday proved a bad luck day for Holmes.

S. N. E. T.—MONARCHS. In one of the best baseball games played in town this season the S. N. E. team from Stratford defeated the Monarchs of this town by the score of 5 to 3. The game was the Monarchs' until the beginning of the last inning. The score at that time stood 4 to 3 in favor of the Stratford boys but the telephone players rallied strongly and managed to bring in two runs that winning the contest when the Monarchs had it all but won.

BROKEN WIRE DELAYS TRAFFIC. The working people of Stratford employed in the shops, factories and offices in Bridgeport were held up for nearly an hour Saturday afternoon as they were returning home from work when the trolley wire in front of the car barns on Stratford avenue broke and fell to the track. There was a lot of "rewiring" when the live wire made a connection with the metal parts of one of the cars which tried to pass beneath it while it was hanging in the air and so apparent was the danger of trying to run by the break in the wire that the crew of the car decided to wait until the wire had been repaired before trying to continue on their way. As a result all the cars which followed were blocked and it was some time before the repair crew arrived from Bridgeport and cleared the track.

DUST ON STRATFORD AVENUE. The people residing along Stratford avenue continue to complain because nothing is done to relieve the dust nuisance on that thoroughfare. Stratford avenue which is undoubtedly used more than any other street in Stratford has not had a drop of water or oil sprinkled upon it this season. As a result the dust is ankle-deep all along the avenue from the city line to Hard's corner. It is a menace to the lives of the people having occasion to use the thoroughfare and it is a nuisance to a few days ago that a little girl, blinded by the dust failed to note the approach of a trolley car. As a result she was struck and badly injured. Stratford avenue, Main street, and many other streets in the town have been oiled and it is the consensus of opinion of the residents of Stratford avenue that it is about time the selectmen took up the matter of having the street treated to a coat of road oil.

NERVOUS BREAKDOWN. Mrs. J. A. Hines is confined to her home on Stratford avenue as a result of a nervous breakdown.

MONTE'S MIND MASS. A month's mind mass of requiem will be said at St. James' R. C. church tomorrow morning at 7:30 o'clock in memory of the late Mrs. John Dunn of Hollister Heights.

SICK LIST. Miss Sadie Meek of Hollister Heights is suffering from an attack of the grippe.

VISITOR IN TOWN. Joseph Hines, a former resident of Stratford but now of Schenectady, N. Y., was a visitor in town yesterday renewing acquaintances with his many friends here.
