

Are You Among Those Who Dread to Go to the Dentist?

The ease with which I perform difficult dental work and the entire absence of pain during the operation is generally enough to prove the above claim a just one. I am giving my patients the benefit of every known appliance for the betterment of my chosen profession.

Success Does Not Come Without Good Reason.

Better facilities, more complete equipment and a superior method and my personal guarantee of perfect results are but a few of the reasons why I have been so successful in this city.

NO PAIN—NO HIGH PRICES.

My aim is to give my patients absolutely Painless Dentistry at a moderate charge. Come in and talk over your tooth troubles and you will be agreeably surprised at the small amount it will take to put your mouth in perfect condition.

DEATH ENGINE IN REMARKABLE TESTS OVER SCENE OF CONNECTICUT WRECK

STAMFORD (CONN.) DEATH ENGINE REPEATING WRECK-RUN TALLOW SHOWS DAMAGED PORTION

CORONER PHELAN—GEN. SUPT. WOODWARD, SNAPPED DISCUSSING TESTS

Unusual in many ways were the airbrake tests of engine No. 1,338, which crashed into the rear Pullman of the Boston to New York express on the New York, New Haven and Hartford railroad at Stamford, Conn., and killed six and injured nearly a score. The locomotive, drawing the

same cars as on the day of the crash, ran over the same section of tracks. For six straight tests the engine worked all right, with varying results, but on the seventh test the airbrakes failed to work properly, and the train went beyond the point where the first section had stood at the time of the accident, proving the contention of
