**INTERNATIONAL EGG COMPETITION.**  
The total number of eggs laid during the fortieth week of the International Egg Laying Competition was 1,894. This is a gain of thirty-six eggs over the previous week's score and a gain of 262 over the corresponding week of last year. The birds are doing remarkably well to keep up the production.  
The best pen for the week was a pen of Single Comb White Leghorns owned by G. G. Yost of Sayre, Pa. They laid thirty eggs. Three of the birds in this farm helped to win last year's competition; the other two in the pen are pullets. The second best pen for the week was a pen of Single Comb White Leghorns owned by Tom Barron of Catforth, Eng. This renowned pen laid twenty-nine eggs. Two birds in this pen have reached the 200 mark.

There were three pens, all of which were Single Comb White Leghorns, whose score was twenty-eight. They belong to Smith Brothers of Addingham, Pa.; Ed Cam, Houghton, Eng. and Frank A. Jones of Northumberland, Pa.

**BUFFALO BILL**  
LOSES HIS HORSE  
Weeps As Favorite Mount Is Led to Auction Block

Denver, Aug. 20.—Col. W. F. Cody looked off into space and a mist came over his eyes when he parted with his famous horse Isham yesterday afternoon. The horse is to be sold at auction, the proceeds to apply on liens against the Buffalo Bill Wild West and Pawnee Bill's Far East Show.  
Buffalo Bill has ridden Isham for close to twenty-five years and he is remembered by thousands of people throughout the country as astride a magnificent white charger. The famous scout did not try to hide his sorrow at parting with his equine companion and openly wept as the animal was led away.

**JUDGE MALONE SUCCEEDS IN LABRADOR EXPEDITION**

Bristol, Aug. 20.—Judge William J. Barnes, of this city. The message was sent by Judge Malone from Indian Harbor, Newfoundland, and is as follows: "Expedition successful. Have been lost in the interior of Labrador. Out on foot. All well."

**FRATERNAL NEWS**

Court Marina, F. of A. held their regular semi-monthly meeting Monday night. The committee on baseball reported that the team representing the court in the Fraternal Baseball League had won second place which brings a handsome trophy to the court. The clambake committee, under the direction of Grand Recording Secretary Wm. T. Meyer reported all arrangements made for the annual clambake to be held at Columbus Park, Sept. 7th. This is an old time custom with the court and an affair looked forward to by many of its members. Chief Ranger Thomas of Court Nathaniel Wheeler was a visitor and addressed the court. A committee was appointed to meet with a like committee from Court Wheeler in view of an entertainment by the two courts during the coming winter. Such an affair would, no doubt, be a big attraction, as these courts are closely connected, and in previous affairs have worked in absolute harmony which assures success.

dragged the snake down the mountain to the house of a friend and threw it into the hind end of an old wagon standing in the yard.  
Much to their astonishment, a little later, the snake, by a sudden effort, threw itself from the wagon to the ground and began to advance toward the men standing near, apparently trying to get at Parsons. Brief application of clubs finally stopped further activities on the part of the reptile.  
These college students who are taking the Columbus caravels around to California might gain some valuable instruction in navigation from the three wise men of Gotham who went to sea in a tub.
