

New Fall Norfolk Suits For Boys, With Extra Pants, \$6.50, \$8.50 and \$9.50.

Half the boys we clothe buy suits with extra pants, to get double wear. And so in our new Fall lines we show many styles of new Norfolks with which we can supply extra knickers if desired. Boys going away to school are especially interested in this two-pant proposition, and will find a splendid variety of handsome mixtures from which to choose.

What Was Done By Supreme Court In Atlantic City

New Ritual Was Adopted, Together With A Permanent Password — Changes To Become Effective On December 1

The Supreme Court, Foresters of America, has issued to the subordinate courts a circular briefly outlining the work of their thirteenth biennial session which was held in Atlantic City, N. J., and which closed on August 29. Many changes become effective on December 1 of this year and are, briefly, as follows:

A new ritual was adopted, the secret work, as well as the pass and test words, was abolished and a permanent password was agreed upon while United States citizenship was added to the qualifications for membership. The office of supreme and grand court lecturer was created, the number of trustees was increased to five and the supreme chief ranger was given the power to forfeit the property of a subordinate body for failure to live up to the laws of the order.

Don't Take Chances

Buy— GOLD MEDAL CREAMERY BUTTER

At Your Dealer's

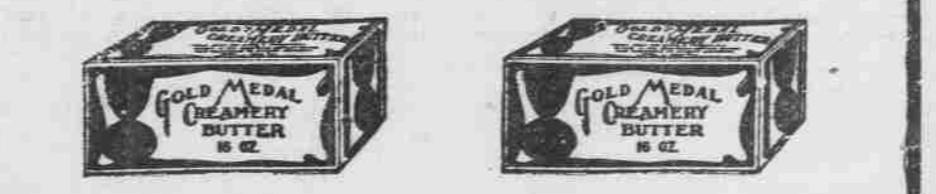

"Give me bread and good butter and my inner man rejoiceth," said Dean Swift. And after all, butter is the "whole thing" in a good meal.

Gold Medal Butter has the same rich, cream-like taste always. Because it is scientifically made, every pound is the same, today, next week, next month. And then it's kept good by the dust-proof, odor-proof, germ-proof patent package all the way from the churn to your butter plate. Seven million pounds sold last year and not a single complaint.

Gold Medal costs no more than butter that's not guaranteed. Why take chances? Buy Gold Medal at your dealer's today. If he happens to be out, write and give us his name. We will see that you are not disappointed.

LAKEVIEW DOORS NOT SO EASILY OPENED AS YORE

The Hegira of the local nomads towards Lakeview Home began today after the cold wave had impressed those homeless wanderers with the necessity of getting lodgings early this year from Superintendent Fred Johnson. But, alas, many of the applicants today showed serious traces of their proclivity to shirk work rather than destitution and none got by. It was announced the Charities Department this year will make a more stringent examination of applicants than ever before, a physical examination by physicians now being a requisite to secure winter lodgings.

HEAD ITCHED AND BURNED

Dandruff Could Be Seen Plainly in Hair and on Coat Collar. Lots of Hair Fell Out. Cuticura Soap and Ointment Cured in Four Weeks.

713 Dudley St., Dorchester, Mass.—"My trouble began with dandruff. It caused me much trouble and after a while my hair began falling out. The dandruff could be seen very plainly in my hair and also on my coat collar. It caused my head to get itchy. The itching and burning caused scratching and left sores on my head. I lost much sleep through the night. Every time I combed my hair lots of hair would fall out."

"I tried — and two other remedies without success. I suffered almost two years until I used Cuticura Soap and Ointment. Then I got a sample of Cuticura Soap and Ointment and I was relieved a little bit. Then I got a full-sized cake of Cuticura Soap and a box of Cuticura Ointment and in four weeks I was all cured." (Signed) James Mahoney, May 1, 1913.

For pimples and blackheads the following is a most effective and economical treatment: Gently smear the affected parts with Cuticura Ointment, on the end of the finger, but do not rub. Wash off the Cuticura Ointment in five minutes with Cuticura Soap and hot water and continue bathing for some minutes. This treatment is best on rising and retiring. At other times use Cuticura Soap freely for the toilet and bath, to assist in preventing inflammation, irritation and clogging of the pores. Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.
