Slovak Union Will Hold Convention In Sokol Hall Next Week

The first annual convention of the First Slovak Union of Bridgeport will be held in Sokol Hall, 231 Hallett street, Monday and Tuesday, September 23 and 24. The Union was organized on March 24, 1912, with 65 members. It now has nine branches in Bridgeport and about 700 members. It is the largest Slovak union in the state.

The aim of the organization is to consolidate all Slovaks in Bridgeport of either sex, between the ages of 16 and 45 years in one organization, and to establish a death benefit and a charity fund for the members. One of the purposes of the Union is to establish an orphanage where orphans of Slovak parentage may be cared for.

The Union will strive to aid its members in acquiring a knowledge of the English language and English literature and to assist them to become good American citizens. Articles of incorporation were filed with the town clerk's office yesterday. Besides the objects mentioned above the articles provide that the headquarters of the Union must always be maintained in Bridgeport. The Union is also given power to buy, sell, mortgage and convey real estate and invest funds, which implies that the Union may build a home of its own in the future.

The purpose of the convention next week is to elect officers and frame by-laws and a constitution. The leaders in the organization expect it will have 1,000 members by January 1. The subscribers to the articles of incorporation are: Stephen J. Lucas, Charles J. Mihalak, Joseph M. Olasz, Martin Syec, Alex F. Teslya, Joseph M. Mursko, John Fedor, John Pohorene, John Radvansky, Anna S. Sadlar, Stephen Marcinko and Geo. F. Simon.

GERMAN ROYALTY SPLIT UP OVER PRINCE'S CLAIMS

Berlin, Sept. 25.—A word splitting wrangle over the formalities of the coronation of Prince Ernest August, of Cumberland, and Princess Victoria Louise as Duke and Duchess of Brunswick almost led to a split in the German imperial family and the withdrawal of the young Prince and Princess of Germany, according to information from Hanover communicated to today's Tagblatt. Prussian officials insisted, it is said, on a more explicit renunciation by the Prince of his claims to the throne of Hanover whereupon the Prince declared that he would take on his Prussian uniform and retire to Gmunden, Austria, with his bride, who apparently was willing to obey the marriage injunction and follow her husband. Chancellor Von Bethmann-Hollweg thereupon yielded the point and a new solution of the difficulty is being sought.

SAYS WHALEY PAID \$60,000 FOR SEAT

Washington, Sept. 25.—Serious charges involving the right of Richard S. Whaley, Democratic member of Congress from the First district of South Carolina, to occupy his seat in the House, are embodied in a petition filed yesterday with Speaker Clark by John P. Grace, Mayor of Charleston, S. C. Mayor Grace demands an investigation by a committee of the House.

The Federal publicity act limits to \$5,000 the amount that may be expended by a candidate for a seat in Congress. The charge is made by Mayor Grace that Mr. Whaley in his campaign for the nomination expended \$60,000 in buying votes and the allegation is made further that Whaley would not have been nominated if he had not indulged in large expenditures. Mayor Grace charges further that Whaley swore falsely to a certificate of officers of the House that he expended less than \$5,000 in his campaign.

Representative Whaley has issued a statement in which he denounces the Grace petition as a "lie." Unusual interest attaches to the Whaley case because it is the first time the certification of any candidate for Congress under the publicity law has been questioned.

According to the official returns Whaley was nominated by obtaining 298 votes and was elected at a special election held last April.

"In order to obtain these 298 votes," the Grace petition sets forth, "Mr. Whaley spent in the first and second primaries and the campaign incident thereto not less than \$60,000, or an average of \$10 a vote. Notwithstanding such excessive use of money and because he was required by Federal law under oath to file statements showing that he spent not over \$5,000, your petitioner alleges that Mr. Whaley willfully and knowingly filed false statements with the clerk of the House of Representatives showing that he spent altogether \$3,533.10."
