BARGAINS.

We propose to get rid of every Overcoat in the store between now and Christmas. With this in mind, the season is over, but business now while you want them.

We have overcoats and marks, and have given better value than any house in the city.

Most of the styles are complete in sizes. Some new ones have arrived this week, but from now on we'll get in another garments for this season's trade. After Christmas we start manufacturing for spring.

Better Overcoats at Lower Prices

Men's Overcoats were $5, marked down to $4.50. Men's Overcoats were $10, marked down to $6. Men's Overcoats were $15, marked down to $10. Men's Overcoats were $20, marked down to $15. Other styles as low as $4.50 to $18.
