PENN ROSE is a beautiful tract of land right on Market Street, just over the city line at 38th Street, where the Pennsylvania R. R. Shops are being built and where land from this fact alone is bound to rapidly increase in value...

Streets and avenues are being laid out according to the official land map of the City Surveyor. Shade trees and other decorative features will be added. In fact nothing will be left undone that will make PENN ROSE the most desirable suburb ever opened here.

The buying of land needs no discriminating judgment, simply determine if the prices are fair, and the natural increase in the population does the rest. If you buy at first prices Penn Rose will become a money maker for you.

with a large amount of invested capital. Therefore land desirable for building purposes located as advantageously as Penn Rose, and where lots can be purchased at these low prices, will within a short time bring large returns to the far-sighted investor.

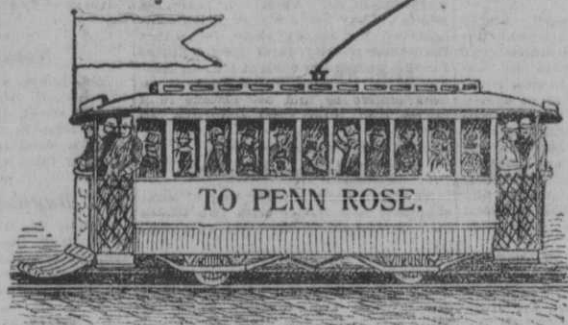

To those who embark at the outset there are splendid possibilities: First is best always and you might as well be in at the start.

HOW TO GET THERE: Take any car going up Market Street marked Shellpot Park or Darby, direct to PENN ROSE. Single fare to all parts of the city. Agents on the Ground every day and all day, including Sunday.

NO TAXES. NO INTEREST. NO ASSESSMENTS. Free Life Insurance.

Non-forfeiture from sickness or loss of employment.
