THE ONLY KNOWN MEDICINE

that at the same time

Purges, Purifies and Strengthens the System.

Dr. Tutt's Pills are composed of many ingredients. Prominent among them are Sarsaparilla and Wild Cherry, so united as to act together: the one, through its admixture with other substances, purifying and purging; while the other is strengthening the system. Thus these Pills are at the same time a tonic and a cathartic, a desideratum long sought for by medical men, but never before discovered. In other words, they do the work of two medicines and do it much better than any two we know of, for they remove nothing from the system but impurities, so that while they purge they also strengthen, and hence they cause no debility and are followed by no reaction.

Dr. Tutt's Pills have a wonderful influence on the blood. They not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operation of this most excellent medicine which never strains or tortures the digestive organs, but causes them to work in a perfectly natural manner; hence persons taking them do not become pale and emaciated but on the contrary, while all impurities are being removed, the combined action of the Sarsaparilla and Wild Cherry purifies and invigorates the body, and a robust state of health is the result of their united action.

REMOVAL,

THE ARTISANS' SAVINGS BANK

Has been removed to its new location, in the Clayton House, where it is now open for business.

Six per cent. has been regularly paid on deposits, since the organization of the Bank in 1861, and it is the expectation of the Directors that the profits on the accrued capital, and on the regular business will enable the Bank to continue this rate of dividends.

Deposits are solicited from persons in the receipt of regular incomes, from Farmers, Mechanics, and Dealers, and from those whose business enables them to keep a varying balance of cash, from which, if placed with us, they will derive an income in the shape of

SEMI-ANNUAL INTEREST.

A rule of the Bank requires notice to be given the withdrawal of Deposits, but in all ordinary cases depositors will be paid on demand.

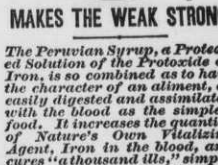
Iron in the Blood



MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*
