This is a veritable March day.

Edith O'Gorman at the Opera House to-night.

The Mechanics Loan Association meets, this evening.

The statement of the Delaware City National Bank was published above, to-day.

Talmage is a popular lecturer, a fine writer, and an entertaining speaker. Go hear him.

The Managers of the Board of Trade will hold their semi-monthly meeting, this evening, at 7:45 o'clock.

Letters testamentary upon the estate of the late Commodore John P. Gillis have been granted to his widow and two sons.

At the 25th annual commencement of the Hahnemann Medical College, of Philadelphia, held yesterday, N. T. Jerman and W. F. Kenneday, both of Delaware, were among the graduates.

ACCIDENT.—John Stiller, an old gentleman, living at Sixth and Washington streets, was severely but not dangerously injured, on Friday last, by falling from a step ladder which he was using in trimming trees.

SOMEWHAT HEAVY.—The castings for H. A. Beale's Rolling Mill, at Parkesburg, are somewhat heavy; the tilt hammer weighs 8336 pounds, anvil 6600, and the bit and pedestal 3360. They were made by C. Ridgeway, Coatesville.

BURNING OF MR. COUNTY'S DWELLING.—A passing locomotive, yesterday, set fire to the residence of Mr. George County, a conductor on the P. W. & B. R. R., at Claymont, and it was burned to the ground. Nearly everything within the building was consumed.

PROFESSOR WISEMAN'S PERFORMANCE.—Owing to a proviso of the Institute Association, which forbids Gift Enterprise, Professor Wiseman will omit the feature of the Gifts, but his truly wonderful performance will remain otherwise unchanged. The Professor comes highly recommended and we predict full houses.

DON'T SLEEP IN CHURCH.—A young man at church in a steel pigeon, which on bumbs thrown from a trap, and by ingeniously constructed machinery is given a motion to resemble a pigeon. It is to be introduced in shooting matches, and is intended to prevent the cruelty practiced upon birds on such occasions. When struck, it falls at once to the ground.

Educational.

PROCEEDINGS OF THE SCHOOL BOARD, LAST EVENING.

The Board of Public Education held a regular meeting, last evening, President Grimshaw in the chair.

The Committee, appointed at the last meeting of the Board, to secure proper places for holding the approaching school election, and to report the vacancies to be filled at said election, made a report locating the election polls and designating the vacancies to be filled, including those to become vacant by removal from the wards the members represented.

After much discussion upon the adoption of the report, and several amendments, Mr. Hilles raised the point of order, that, as the Board had been notified of the legal notice of removal of a member of the Board from the Ward he represented, it was not proper for the Board to take any notice of such intention to remove.

The chair decided the point well taken, and that the report, ordering an election to be held for members to take the place of members who had not resigned, was out of order.

Mr. Marshall appealed from the decision, the chair was sustained by a vote of 17 to 3.

On motion of Mr. Baird, the report was recommitted to the Committee for correction.

Mr. Alliston Lawrence, of the seventh ward; President Grimshaw, from the fifth ward, and William H. Curry, from the fourth, each intending to remove from the ward they now represented, severally offered their resignations to take effect on the 25th of March. The resignations were, on motion, accepted.

The full text of the report of the Committee will be found elsewhere in the columns of this paper.

On motion of Mr. Baird, the respective Visiting Committees were instructed to report to the Board at its next meeting, whether any children of school age in the city were attending the public schools of the city.

On motion of Mr. Baird the Committee on Transfers were instructed to consider the propriety of admitting children in the suburban outlands of the city, into schools within the city limits, where there are vacancies, by the payment of a reasonable tuition fee, and report the same to the Board.

On motion of Mr. Atkinson, the vote by which the Committe of No. 12, were instructed to have the interior walls painted some light color, was re-considered and the motion countermanded.

On motion of Mr. Jenkins, the Committe on School No. 8, were authorized to have the interior walls of said school colored, instead of painted, as heretofore ordered.

On motion, the Secretary was instructed to have the report of the Committee on securing places for holding the School election published one time in each of the papers of the city.

On motion of Col. Moore, a committee of 5 was appointed, and authorized to ascertain what school house roofs needed repairing, and report to the Board what action is necessary to be taken. The following members were appointed on said committee: Messrs. McIntire, Pierce, Zebley, Morrow and Smith.

Mr. Smith offered a resolution instructing the Secretary to give full notice in each of the daily newspapers of the city, three times, of the time and place for holding the school election, said notice to be given 10 days before the election.

The chair decided the motion out of order, inasmuch as the charter required notice to be given in all the city papers, 10 days previous to the election, which meant that the notice should be inserted in each number of the papers printed during the 10 days previous to the holding of the election.

A Communication from the Superintendant was read, stating that many of the teachers desired a return to the old system of granting a half holiday at the end of each quarter to all pupils perfect in attendance during the quarter, and as he approved of some reward being given for perfect attendance, he desired to lay the question before the Board. Action on the matter suggested was postponed until the first meeting in April

Mr. Zebley, from the Eight Ward, offered his resignation as a member of the Board, to take effect April 1st. On motion of Mr. Smith, the resignation was laid upon the table by Yeas 11, Nays 10.

The following orders were drawn during the meeting:—

Emma Griffith, $40; Allice Mercer, $30; Mary Casperson, $30; Helen Smyth, $9; C. Warner & Co., $145 15; Bryan & Bradley, $8; William Flind, $4.46; E. D. Fraser, $63; Sallie McKeag, $45; B. S. Clark, $1; Mgt. Brown, $18; Anton Henze, $2; Stephen Davis, $19.78; John Steward $14.86; Gillespie & Jackson, $1.50; Julia Carpenter, $16.25; Lizzie E. Duncan, 48; W. W. Bennett, $3.

The School Election.

WHERE TO BE HELD—WHOSE TERMS EXPIRE—REMOVAL OF MEMBERS OF THE BOARD.

The charter of the Board of Education provides that the school election in this city shall be held on the first Saturday in April, and that one member shall be elected annually from each ward, who shall serve a term of 3 years, and also that all vacancies, caused by resignation, removal or otherwise, shall be filled at the same election.

The large number of resignations and removals that have occurred during the past year, together with the regular expiration of the term of office of one-third of the members, makes it necessary to elect 16 new ones. This is more than half the number composing the Board, and will make the approaching election one of more than ordinary interest. The following embodies the report of the Committee, made last evening, of the places for holding the election, and the vacancies which are to be filled:—

First Ward.—One member to elect for 3 years, Thomas Johnson's term expiring. Election to be held at the White Horse Hotel, Second and Tatnall Streets.

Police Court.

A FREE BLOW, FREE DRUNK, AND CROWDED CELLS.

Yesterday afternoon was a busy one for our Wilmington policemen. Every few moments some knight of the locust might have been seen wending his way towards the City Cells, ringing on a laggard whose knees were very weak, and who persisted in walking tangle-legged fashion, in spite of his support.

After the fire had been suppressed in the morning, some one of those who had been saved from a great calamity, out of the bowels of their mercy, sent out a large quantity of whiskey and drunken men were plentiful all over town. Some confined themselves to plain drunkenness, while others mixed in with it a little malicious mischief. The former class numbered eight persons and received the usual fine.

Thomas Glascow and John O'Hara, for disorderly conduct were fined $2, and held in $200 for future good behavior.

Alonzo Hayes and Robert Dowling were committed to New Castle 60 days for vagrancy.

Daniel Erwin whipped his wife, and was fined $3 and costs and bound over in $300 to keep the peace.

Susan Moore, of Browntown, for the larceny of a rocking chair, from James McKenna, was held in $200 for court.

Obituary.

DEATH OF WM. A. WISDOM.

William A. Wisdom, a veterinary surgeon of some celebrity in this city, died, yesterday afternoon, at 1½ o'clock. He was 70 years of age, and died under the weight of years.

In 1853 Mr. Wisdom came to this city from New York, and has resided here since that time. He graduated from the Philadelphia Veterinary College, and was regarded as an excellent surgeon.

Prior to and during the war, Mr. Wisdom was an ardent anti-slavery man, and created considerable prejudice against himself on that account. Nevertheless he was a firm supporter of the Government during its hour of peril, and never wavered in the faith of its ultimate triumph over its foes. He was the captain of a military company in New York during his residence there, and also commanded a company here during the war.

His religious convictions were of the Swedenborgian belief, and he was a member of the New Jerusalem church, on the Avenue. His funeral will take place in the church of which he was a member on Thursday afternoon, after which his remains will be interred in the Wilmington & Brandywine Cemetery.

MIDDLETOWN.—At the Lyceum last evening, the question "Ought New Castle County to be divided" was after a warm discussion, decided in the negative, Messrs H. A. Nowland, and E. Reynolds, arguing in the affirmative, and Messers J. B. Clarkson and E. T. Evans in the negative.

COMPLIMENTARY.—Mr. Francis Ferris, formerly of the city, is the foreman of the Wilmington Commercial Job office. He is a good manager and a splendid printer.—*Reading Eagle.*

Letter from Crisfield.

A MAN FOUND FROZEN ON CEDAR ISLAND—SUICIDE OF HILL, THE MURDERER OF MISS SHOCKLY—SEVEN SAW MILLS AND NO SCHOOL—OTHER NEWS, &c.

Special Correspondence of the Commercial.

CRISFIELD, Md., March 10.

A dead body was reported ashore on Cedar Island, near here, yesterday morning. Justice Goodsell summoned a jury, proceeded to the Island in a vessel and held an inquest. The deceased is supposed to be a hand missing from an Eastern schooner, that was loading with oysters about two weeks ago, near Deals Island. He left another vessel in a tow boat to go back to his own vessel, but a terrific storm at the time drifted his boat about in the Sound until he landed upon Cedar Island, where he froze to death.

Justice Johnson held an inquest, on Sunday, over the body of the man killed above Kingston, on Saturday, by the South bound freight train. The body was brought to this place, and, from the evidence, the jury rendered a verdict of suicide. He threw himself on the track about fifteen yards ahead of the engine; his head was completely severed from the body. He had nothing in his pockets to identify him, but the supposition by all is that he is the same person who shot Miss Amelia Shockley, on last Friday, near Salisbury. The body was sent to Salisbury, to-day to be identified.

The oyster business will last about a month longer. I believe the dredgers and packers both complain of the past season being unprofitable.

A number of new buildings will be erected the coming Spring and Summer.

A large schooner is at the wharf loading with lumber for New York.

The members of the M. E. church surprised their pastor, Rev. W. H. Hutchins, before he started for Conference, with lots of good things to eat and a $50. green-back.

Crisfield has seven rum mills but not one school; a night school is badly needed for both white and colored who are engaged opening oysters during the day and spend the evening in idleness.
