DR. E. F. KUNKEL:

Dear Sir:—I desire to bear (unsolicited) testimony to the merits of your Bitter Wine of Iron, as a dyspeptic remedy. I have taken it myself with excellent effect. I have noticed the great benefit derived from it by several suffering, poor women, whom your charity has enabled me to bestow it upon. I am willing that you should use this in any way you may desire, and hope those of my friends who read it will believe it to be an honest expression of my opinion of an excellent medicine, and of my sense of obligation to its benevolent proprietor, E. F. Kunkel.

Respectfully,

ANNE E. MCDOWELL.
Editor Woman's Department Sunday Republic.

A "FRIEND" inquires: "What does your certificate to the efficacy of Kunkel's Wine of Iron bitters mean? Is it true that it has helped yourself and others in dyspepsia?" It means just what it says. We have proved its efficacy in our own case, and have seen its effects in many others. Dr. Kunkel has our warmest thanks for putting it in our power to relieve many poor sufferers, by furnishing his excellent medicines gratuitously to us for distribution amongst those unable to pay for them.—*Anne E. McDowell.*

I now only ask a trial of this valuable Tonic. Price $1 per bottle. E. F. KUNKEL, Sole Proprietor, No. 259 North Ninth street, below Vine, Philadelphia.

April showers to-day.

A big crowd went to the big circus, last night.

The Wilmington Loan Association meets this evening.

To-morrow, the annual meeting of the Trustees of the Poor takes place. A new Treasurer will be elected.

The room occupied by the Board of Public Education for its meetings is for rent, for the remainder of the term, expiring March 25th, 1874. For many purposes it is convenient and suitable.

The numerous friends of Rev. Geo. H. Smyth will be glad to hear that he is in town, and will preach in the basement room of the College on Delaware avenue, this evening. at 7½ o'clock.

NEW BUSINESS.—John Reese has opened a cabinet making establishment at 509 Walnut street.

At 507 Walnut street. Josephine Gallagher has opened a dressmaking and trimming store.

DEFAULTER TO THE GOVERNMENT.—The Baltimore *American* says it is stated in that city that Mr. Henry M. Nichols, Deputy Collector of the First Maryland Revenue District (Eastern Shore) is a defaulter to the Government. He has resigned and returned to his home in Elkton.

JUSTICE OF THE PEACE.—Governor Ponder has re-appointed George O'Neill, Esq., of this city, as Justice of the Peace. The commission was received, yesterday. The Squire has already served one term of seven years, and his re-appointment is, of course, for a similar length of time.

WEST CHURCH—CALL AGAIN EXTENDED.—The Congregation of the West Presbyterian Church met, last evening, and unanimously renewed their call to the Rev. J. M. P. Otts, of Columbia, Tenn. It is understood that the reason which led him to decline the former call no longer exists, and his acceptance of the present call and his removal to this city at an early day are fully expected.

OUT OF THE ASYLUM.—Mrs. Dr. Tarr, who was committed to an Insane Asylum, at Baltimore, after the death of her husband, on account of the overthrow of her reason, has been set at liberty, and on Sunday last returned to her former home at Denton. Both her mental and physical health have been somewhat regained, but it is feared that her mind is not so strong or rational as in other days.

AN IMPOSITION.—As a general thing, our fish markets are well supplied with shad and herring, and other kinds of fish, but at almost all times the prices range at a high figure. The traders, those who haul shad and herring, and especially those who bring their fish from the shores on the Chesapeake, every spring, from the very first, tell the same old story about the scarcity of fish and the high prices demanded for them on the shores. This story was told by a number of traders on Saturday. A gentleman from the eastern shore of the upper Chesapeake, says shad and herring, on most all the shores, last week, were a drug—never being more plentiful—shad being offered at $8 per hundred and herring at 25 cents per hundred

MEETING OF THE SCHOOL BOARD—PROMOTIONS IN NO. 7, EXAMINATIONS, &C—THE PURCHASE OF A NEW SCHOOL BUILDING SITE IN THE 3RD WARD—THE REMOVAL TO THE BOARD OF TRADE ROOMS—ELECTION OF SUPERINTENDENT — THE ADAMS' MEDALS, &C.

The Board of Public Education held its regular session, last evening, President Hilles in the chair.

The report of the transfer committee, laid over from last meeting, was taken up for consideration, when Mr. Zebley proceeded to state his objections to the proposed plan, which had its merits, but resulted in great dissatisfaction to parents, children and all concerned. The plan he thought might be successfully carried out in the case of young children, just entering the Public Schools, but the advantages to be gained were not commensurate with the disappointment and dissatisfaction it produced.

Mr. H. M. Jenkins thought it was a pity that we should be compelled to build new school houses, while we had a sufficiency of room. The attachment of a scholar to any particular teacher or school was of secondary importance, and would gradually be forgotten as new associations were formed He, however, would offer no serious opposition to the motion to indefinitely postpone the carrying out of the proposed transfer plan.

At the suggestion of Mr. Shortlidge, the further consideration of the subject was deferred until the Committee on the purchase of a new lot in the western part of the city should report.

Mr. Fraim, from the Committee on teachers, offered the following report:

To the Board of Public Education of the City of Wilmington,

GENTLEMEN: Your Committee on teachers beg leave to report that, owing to the resignation of Miss Carrie Allen, teacher in School No. 7, they have made the following appointment of teachers in said school, to wit: Miss Sallie S. Pugh to the position formerly occupied by Miss Allen; Sallie J. McKeag to the position occupied by Miss Pugh; Miss Louisa Smith to the position occupied by Miss McKeag; Miss Lizzie Duncan to the position occupied by Miss Smith, and Miss Josephine Jenkins (new teacher) to the position occupied by Miss Duncan.

Your Committee would furnish report that the following named persons passed a satisfactory examination for teachers: Sue Fenton, Mary H. Mackey, M. Irene Hawkins, Lizzie Graves, Mattie Kenworthy, Mattie Craig, Beckie L. Pierce, Anna T. Burke, Emma M. Houston, Victoria A. Vandever, Maggie S. Hill, Anna M. Harley, Sallie J. McHenry, and Ella E. Todd.

In reference to the examination of teachers now in the employ of the Board, and all who shall hereafter become such, your committee beg leave to offer the following resolutions:

Resolved, That the rule in existence in reference to the examination of teachers, be rescinded, and the following substitute in lieu thereof be adopted, to wit: That the teachers hereafter appointed shall be examined, annually in Orthography, Arithmetic, English Grammar, Geography, and History of the United States, provided that those teachers who have passed, or shall pass, a thorough examination in the above named branches of knowledge shall be exempt from the next following annual examination, and that if within two years' time they passed the said examination, they pass a satisfatory examination in Algebra, Geometry, General History and Natural Philosophy, and if they have, by two years teaching in the employ of the Board, proven themselves successful instructors and disciplinarians they shall receive from the Committee on Teachers, a certificate which shall exempt them from examiantion and render them eligible to any position in the Public Schools of Wilmington for which they are qualified.

The report having been accepted, on motion of Mr. H. M. Jenkins, the various recommendations of the Committee were considered separately and were unanimously adopted.

Mr. Lynch, from the Committee to purchase a new lot in the Western part of the city, upon which to erect a new school house, reported in favor of purchasing a lot on the N. W. corner of Third and Harrison streets, fronting 101 feet on Harrison and 110 feet on Third, at $25 per foot, and that 101 feet being more than sufficient for the purpose, 16 feet could be sold for $400, still leaving 85 feet front for the school house, costing $425.

Mr. Higgins desired to hear the views of some of the members in relation to the need of a new school house in that part of the city.

Mr. Lynch urged the rapid growth of the city and the large number of children without school accommodations as a sufficient argument. In his own Ward (the 10th) 110 children had made application for admission into the Public Schools, and have not been able to obtain seats.

Messrs. Adams and McIntire urged the purchase of the whole lot, when on motion of Mr. McIntire the report of the Committee was amended and a resolution instructing the committee to purchase it entire was unanimously adopted.

On motion of Mr. Shortlidge, the consideration of the report of the transfer committee was resumed, when the resolution of Mr. Zebley to indefinite postpone, was adopted.

President Hilles stated that, in connection with the Secretary, they had waited upon the Wilmington Board of Trade and were informed that the rooms of the Board could be obtained for the meetings of the school Board at an annual rent of $200, and a proportionate share of incidental expenses.

Mr. Smith offered a resolution instructing the President and Secretary to rent the Board of Trade Rooms, and advertise the rooms at present occupied for rent.

Mr. McIntire moved to postpone the further consideration of the subject until the first meeting in June. Lost by yeas 7, nays 13.

The resolution of Mr. Smith was then adopted by yeas 18 nays 5.

The election of Superintendent being in order. Mr. Child nominated D. W. Harlan, the present incumbent, and he was elected without opposition.

Mr. Baird reported the proof sheets of the amended and re-arranged By-Laws, which were laid upon the desks of the members.

On motion of Mr. Moore, the further consideration of the By-laws was postponed until the next meeting of the Board.

The report of Mr. Fraim from the Committee on Normal School, laid over from a previous meeting, and recommending a Normal School Committee and the appointment of an additional teacher, was up for consideration and unanimously adopted.

On motion of Mr. McIntire, the Committee of No. 4 were instructed to employ the city surveyors and have the proper building lines established.

On a motion of Mr. Baird to authorize the Finance Committee to negotiate a note of $6,000 to pay bills falling due, a lively debate sprang up in regard to the delinquency of the City Council to furnish the Board with money, and compeling the negotiating of votes at the expense of the Board, but the motion was adopted.

Mr. Baird presented the official bond of the Treasurer, duly executed, which was accepted and placed in the hands of of the President of the Board.

On motion of Mr. Childs the President was instructed to hold the old bond of the Treasurer until the accounts were fully credited.

On motion of Mr. Higgins, for the appointment of a committee to report the expediency of holding a Teachers' Institute, the motion was adopted and the chair appointed Messrs. Higgins, Adams, and Fraim said committee.

On motion of Mr. Moore, the Committee of No. 10 were instructed to have a stone wall erected and other repairs made to the yard.

On motion of Mr. Adams, the salary of the Superintendent was increased from $1500 to $1800 per annum.

The Committee of No. 2, was instructed to have heaters and fence repaired, the Committee of No. 15, to get curtains for windows and carpets for platform, and the Committee of No. 14 to have the side of the yard sodded

Mr. Adams stated that Miss Rowland, Principal of Girls School No. 1, was desirous of giving a concert in the Masonic Temple, for the purpose of purchasing two organs costing $500, but did not feel at liberty to do so without permission from the Board. A resolution of Mr. Adams giving consent was adopted.

Dr. Shortlidge stated that a lot of Philosophical, Anatomical and Physiological charts and apparatus had been left by Dr. Grimshaw at School No. 1, and on his motion a Committee of three was appointed to ascertain for what price they could be purchased, and report to the Board, was adopted, when Dr. Shortlidge and Messrs. Ferris and Heisler were appointed said Committee.

On motion of Mr. Child, a committee of three was appointed to draft plan and specifications for the proposed new school house in the western part of the city, to be styled the building Committee and report at the first meeting in June.

On motion of Mr. Baird, a committee of three, consisting of Messrs. Baird, Griffin and Pierce, was appointed to purchase a fire proof safe.

A resolution of Mr. Adams, to take into consideration the propriety of introducing the study of latin into the public schools, and to report at next meeting, was adopted, and Messrs. Adams, Higgins and Zebley appointed said committee.

Mr. Adams laid before the Board the gold medals to be presented to the boy in school No. 1, and to the girl in school No 4, who shall pass the best examination in English Grammar in the month of June. These medals are of solid gold, 22 karat fine. On one side is the representation of "Minerva, with the inscription over her head, "Knowledge is Power," and opposite "The Adams Medal." On the reverse side is the following:—"Awarded to ——, for passing the best examination in English Grammar in school No. ——, at the June examination, 1873, Wilmington Del."

The following orders were drawn during the meeting: James & Webb, $26.75; Boughman, Thomas & Co., $470.41; Richardson & Hoopes, $62 50; H. Rau, $6.70; Geo. W. Vernon, $24 00; Wil. Coal Gas Co., $8.57; G. W. Jackson, $3 50; Robert Morrison, $1.75; Jenkins & Atkinson, $25.91; James F. Brennan, $719.45; Aaron Conrad $101.40; E. L. Brown, $125 59; H. F. Pickels, $9.82; W. M. Kennard, $7.15; F. Bickta, $7.05; C. Warner & Co., $260.29; C. A. White, $8.55; James Bradford, $1 35; Granville Worrell, $28 63; Mills & Coombs, $6; Z. Pickels, 75c.; Catharine Jacquette, $14; E. G. Shortlidge, $4.

THE BOMBAY HOOK R. R.—Work goes on swimmingly on the grading for this road. Two gangs of men are already at work approaching each other, one at the river, and the other in Black's field, near Smyrna. Provisions for the laborers are shipped from New York via the New Jersey Southern R. R., which is completed to the river, opposite Bombay Hook, and thence transported by vessel to this side.

CAN A MAN CATCH A LOCOMOTIVE?

To the Editor of the Commercial:

A very swift-footed man might possibly run as fast as a slow horse, but is it not presumption in any human biped to endeavor to overtake a locomotive, with the steam up? This question is respectfully referred to the young man who undertook that little feat on Saturday last, near PERRYMAN'S.

36 BUILDING LOTS

AT

PUBLIC SALE.

Will be sold at Public Sale, on the premises,

On Thurday, May 1st, 1873.

At 3½ o'clock, P. M.

Those very beautifully located Building Lots, fronting on Sixth, Seventh Hawley and Webb Sts., extending from the City of Wilmington, and are but a few squares from the City Line. The situation is high and healthy, and we think there is a large amount of building sand on this property. Remember these Building Lots are outside of the City, and therefore not subject to City Tax. The ground is high and beautiful, with good dry cellars; they front on Sixth and Seventh streets, as extended from the City. They will be sold on easy terms, to suit poor men.

TERMS OF SALE.—Twenty per cent. on day of sale, and the balance to be divided in two notes, payable in three and six months, with interest from day of sale; and those who pay the whole of the purchase money, within ten days after sale, will be allowed a discount of three per cent. off the whole purchase money. When the above terms are complied with, a deed will be given clear of all incumbrances.

Be sure to attend the sale, THURSDAY, May 1st, 1873, at 3½ o'clock, P. M, as they will positively be sold without reserve apr25 5t
