KATHAIRON

Only 50 Cents per Bottle.

It promotes the GROWTH, PRESERVES the COLOR, and increases the Vigor and BEAUTY of the HAIR.

Over Thirty Years ago Lyon's Kathairon for the Hair was first placed in the market by Professor E. Thomas Lyon, a graduate of Princeton College. The name is derived from the Greek, "Kathro," signifying to cleanse, purify, rejuvenate, or restore. The favor it has received, and the popularity it has obtained, is unprecedented and incredible. It increases the growth and beauty of the Hair. It is a delightful dressing. It eradicates Dandruff. It prevents the Hair from turning gray. It keeps the head cool, and gives the hair a rich, soft, glossy appearance. It is the same in quantity and quality as it was over a Quarter of a Century Ago, and is sold by all Druggists and Country Stores at only Fifty Cents per Bottle.

Woman's Glory is Her Hair.

only to be used as a medicine, and always according to directions.

They are the sheet-anchor of the feeble and debilitated. They act upon a diseased liver, and stimulate to such a degree that a healthy action is at once brought about. As a remedy to which Women are especially subject it is superseding every other stimulant. As a Spring and Summer Tonic they have no equal. They are a mild and gentle Purgative as well as Tonic. They purify the blood. They are a splendid Appetizer. They make the weak strong. They purify and invigorate. They cure Dyspepsia, Constipation and Headache. They act as a specific in all species of disorders which undermine the bodily strength and break down the animal spirits.

It is a certain, prompt and speedy remedy for Diarrhœa, Dysentery, Bowel Complaint, Dyspepsia, Lowness of Spirits, Fainting, Sick Stomach, Headache, etc., etc. For Chills and Fever of all kinds it is far better and safer than Quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effect of liquor in a few minutes. For sale by all druggists.

JACOB SCHEETZ, Proprietor.

N. W. cor. Fifth and Race Streets.
PHILADELPHIA, PA.

CAMDEN, N. J., April 3d, 1871.

MR. JACOB SCHEETZ—*Dear Sir*: It affords me great pleasure to add my testimony with that of many other commendations of the excellence and vital efficacy of your justly celebrated Bitter Cordial. Having used it in my family more than twelve months, I speak understandingly and with confidence when I assert that it excels all other medicines of which I have any knowledge. My wife has been using it about two years, both as a medicine and beverage, with results the most astonishing. When she commenced its use, she was in the most rapid strides of consumption. The medicine immediately began its work of cleansing, renovating and healing every afflicted part of the body. I have recommended its use to very many of my friends who have assured me of decided beneficial results. You may use these lines in any way that will benefit our fellow-men. I remain yours truly,

CHARLES SEXTON.

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*

THE GREAT SOUTH AMERICAN JURUBEBA BLOOD PURIFIER

Is the most powerful cleanser, strengthener and remover of Glandular Obstructions known to *Materia Medica.*
It is specially adapted to constitutions "worn down" and debilitated by the warm weather of Spring and Summer, when the blood is not in active circulation, consequently gathering impurities from sluggishness and imperfect action of the secretive organs, and is manifested by Tumors, Eruptions, Blotches, Boils, Pustules, Scrofula, &c., &c.
When weary and languid from overwork, and dullness, drowziness and inertia take the place of energy and vigor, the system needs a Tonic to build it up and help the vital forces to regain their recuperative power.
In the heat of Summer, frequently the Liver and Spleen do not properly perform their functions; the Uterine and Urinary Organs are inactive, producing weakness of the stomach and intestines and a predisposition to bilious derangement.

DR. WELLS'
EXTRACT OF JURUBEBA

is prepared directly from the SOUTH AMERICAN PLANT, and is peculiarly suited to all these difficulties; it will cleanse the vitiated blood, strengthen the life-giving powers, and remove all obstructions from Impaired and Enfeebled Organs.
It should be freely taken, as Jurubeba is pronounced by medical writers the most efficient purifier, tonic and deobstruent known in the whole range of medicinal plants.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. *Prevention* is better than cure, for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "CURE" expels the miasmatic poison of FEVER AND AGUE from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of everybody; and in bilious districts, where FEVER AND AGUE prevails, everybody should have it, and use it freely, both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral; consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis, and derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure; and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity, and producing many truly remarkable cures, where other medicines fail.
