DR. TUTT'S VEGETABLE LIVER PILLS.

THE ONLY KNOWN MEDICINE

that at the same time

Purges, Purifies and Strengthens the System.

"Dr. Tutt's Pills are composed of many ingredients. Prominent among them are Sarsaparilla and Wild Cherry, so united as to act together: the one, through its admixture with other substances, purifying and purging; while the other is strengthening the system Thus these Pills are at the same time a tonic and a cathartic, a desideratum long sought for by medical men, but never before discovered. In other words, they do the work of two medicines and do it much better than any two we know of, for they remove nothing from the system but impurities, so that while they purge they also strengthen and hence they cause no debility and are followed by no reaction.

Dr. Tutt's Pills have a wonderful influence on the blood They not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility As there is no debilitation, so there is no nausea or sickness attending the operation of this most excellent medicine which never strains or tortures the digestive organs but causes them to work in a perfectly natural manner; hence persons taking them do not become pale and emaciated but on the contrary, while all impurities are being removed, the combined action of the Sarsaparilla and Wild Cherry purifies and invigorates the body, and a robust state of health is the result of their united action.
