Baltimore Lock Hospital.

Where may be obtained the most speedy remedy for SECRET DISEASES, Gonorrhœa, Gleet, Stricture, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those Peculiar Affections arising from a secret habit, contracted in early life, and its fearful train, when, if not cured, greatest constitutional debility, nervous derangement, and in the end dastardly brain and body.

Young Men

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call at or address DR. J. BRANDRETH,

OFFICE, No. 7 SOUTH EUTAW ST., BALTIMORE, SEVEN doors from BALTIMORE ST., East side.

☞ Be particular in observing the name and number, or you will mistake the place.

CURE WARRANTED OR NO CHARGE MADE, IN FROM ONE TO TWO DAYS.

TAKE NOTICE.

Dr. JOHNSTON is the only regularly Educated Physician who advertises his very Extensive Practice, and his study Wonderful Cures in a manner consonant to the effects. These cures are known to be speedy and effectually cured the most obstinate to undergo the operation, and not a case of Mercury ever given.

Dr. Johnston, Late of Edinburgh,

Member of the Royal College of Surgeons, London, Graduate from the oldest most eminent College in the United States, and the greater by part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with aspiring in the nose and head when asleep, great nervousness, being alarmed at sudden sounds, and confusion, with frequent blushing, attended sometimes with a disagreement of mind, were cured in a few days.

A Certain Disease.

When the unhappy and imprudent victim of pleasure finds he has tainted the veins of his youthful blood, when his cheek pales, his form flags, his brow is furrowed with deep cares, and his eye becomes sunken, his voice hoarse, his nights restless, his appetite fickle, his tongue furred, his mind dull, his memory impaired, his genius depressed, his hopes blasted, his future gloomy, his sleep disturbed, his dreams frightful, his startings frequent, his imagination disordered, his head confused, his heart palpitating, his whole nervous system shattered, his blood corrupted, his entire constitution poisoned, and his frame covered with the pale cast of consumption, with its sure followers, hectic fever and night sweats, he should immediately consult Dr. J., and be assured of a perfect cure.

Diseases of the Kidneys,

Bladder, Urethra, Gravel, Dropsy, Stone in the Bladder, Retention, Incontinence, Difficult, Painful, Bloody, Scalding Urine, Weakness of the Organs, Local Debility, Nervousness, Sexual Incapacity, Impotency, Barrenness, Involuntary Seminal Emissions, Spermatorrhœa, Sexual Affections, Syphilis, Ulcers, Stricture, Gleet, Inflammation, Pain in the Back, Groins, Testicles, Head, Face, Limbs, Joints, Bones, Skin, Throat, Nose, Ulcerations, Eruptions, Pimples on the Face, Blotches, Boils, Tumors, Copper Colored Spots, Scurvy, Scrofula, Mercurial Disease, Rheumatism, Old Sores, Ulcers, Fistula, Piles, Stricture of the Rectum, Diseases of the Urinary Organs, Secret Habits, Nervousness, and Peculiar Affections of this kind, Shall Relief, Speedily, Be Found.

Take Particular Notice.

Young men who have injured themselves by a certain pernicious practice to which many resort, from the evil influence of bad company, or at school, the effects of which are slightly felt, even when arising, and if not cured, renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the unconscious self-abusing from the effects of excess, and indulging in a certain secret habit. Such persons before contemplating

MARRIAGE,

Should reflect that a sound mind and body are the most essential requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly gathers to the contemplative mind, and leaves the sufferer tortured with imaginary fears, and filled with melancholy reflection that the happiness of another depends upon him.

Constitutional Debility.

Mr. J. addresses young men and all who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mental.

Mercury.—The sudden effects of mercury, on the constitution are truly awful. Loss of Hair, Blotches on the Face, Ulcerated Throat, Nodes on the Arms, Legs, Shins, and other bones of the body, are frightful effects produced by this mineral poison. Indeed, few are aware of the evils produced by the use of this terrible remedy, even when taken by the most skilful physicians. Multitudes of persons of all ages, can now judge what is the cause of their sufferings, when their health has been shattered, their blood vitiated, and their constitutions rendered susceptible to every change of disease, by the use of mercury. Many destroy their lives by using mercurial preparations, under the impression that they are purifying the blood, when in fact they are only sowing the seeds of death, which will soon appear in the form of Rheumatism, Ulcers, Scrofula, Fistula, Piles, Tumors, Stiffness of the Joints, Contraction of the Limbs, Cancerous Affections of the Throat, Nose, Skin, Bones, Nervous Irritability, Derangement of the Digestive Functions, Dyspepsia, Consumption, &c. &c.

Dr. Johnston's Invigorating Remedy for Obstructions.

By this great and important remedy weakness of the organs is speedily cured and full vigor restored. Obstructions from any cause, however long standing, or of however delicate a nature, are speedily removed. Females who have been distressingly afflicted with obstructions, should not fail to use this remedy.

Physical or Mental Disqualifications, Nervous Irritability, Trembling and Weakness, are speedily cured by this great and only specific ever known.
