Ansley Radio-Phonographs

1/2 OFF
MANUFACTURER'S LIST PRICES

... and a Trade-In Allowance for your Old, Out-dated Radio!

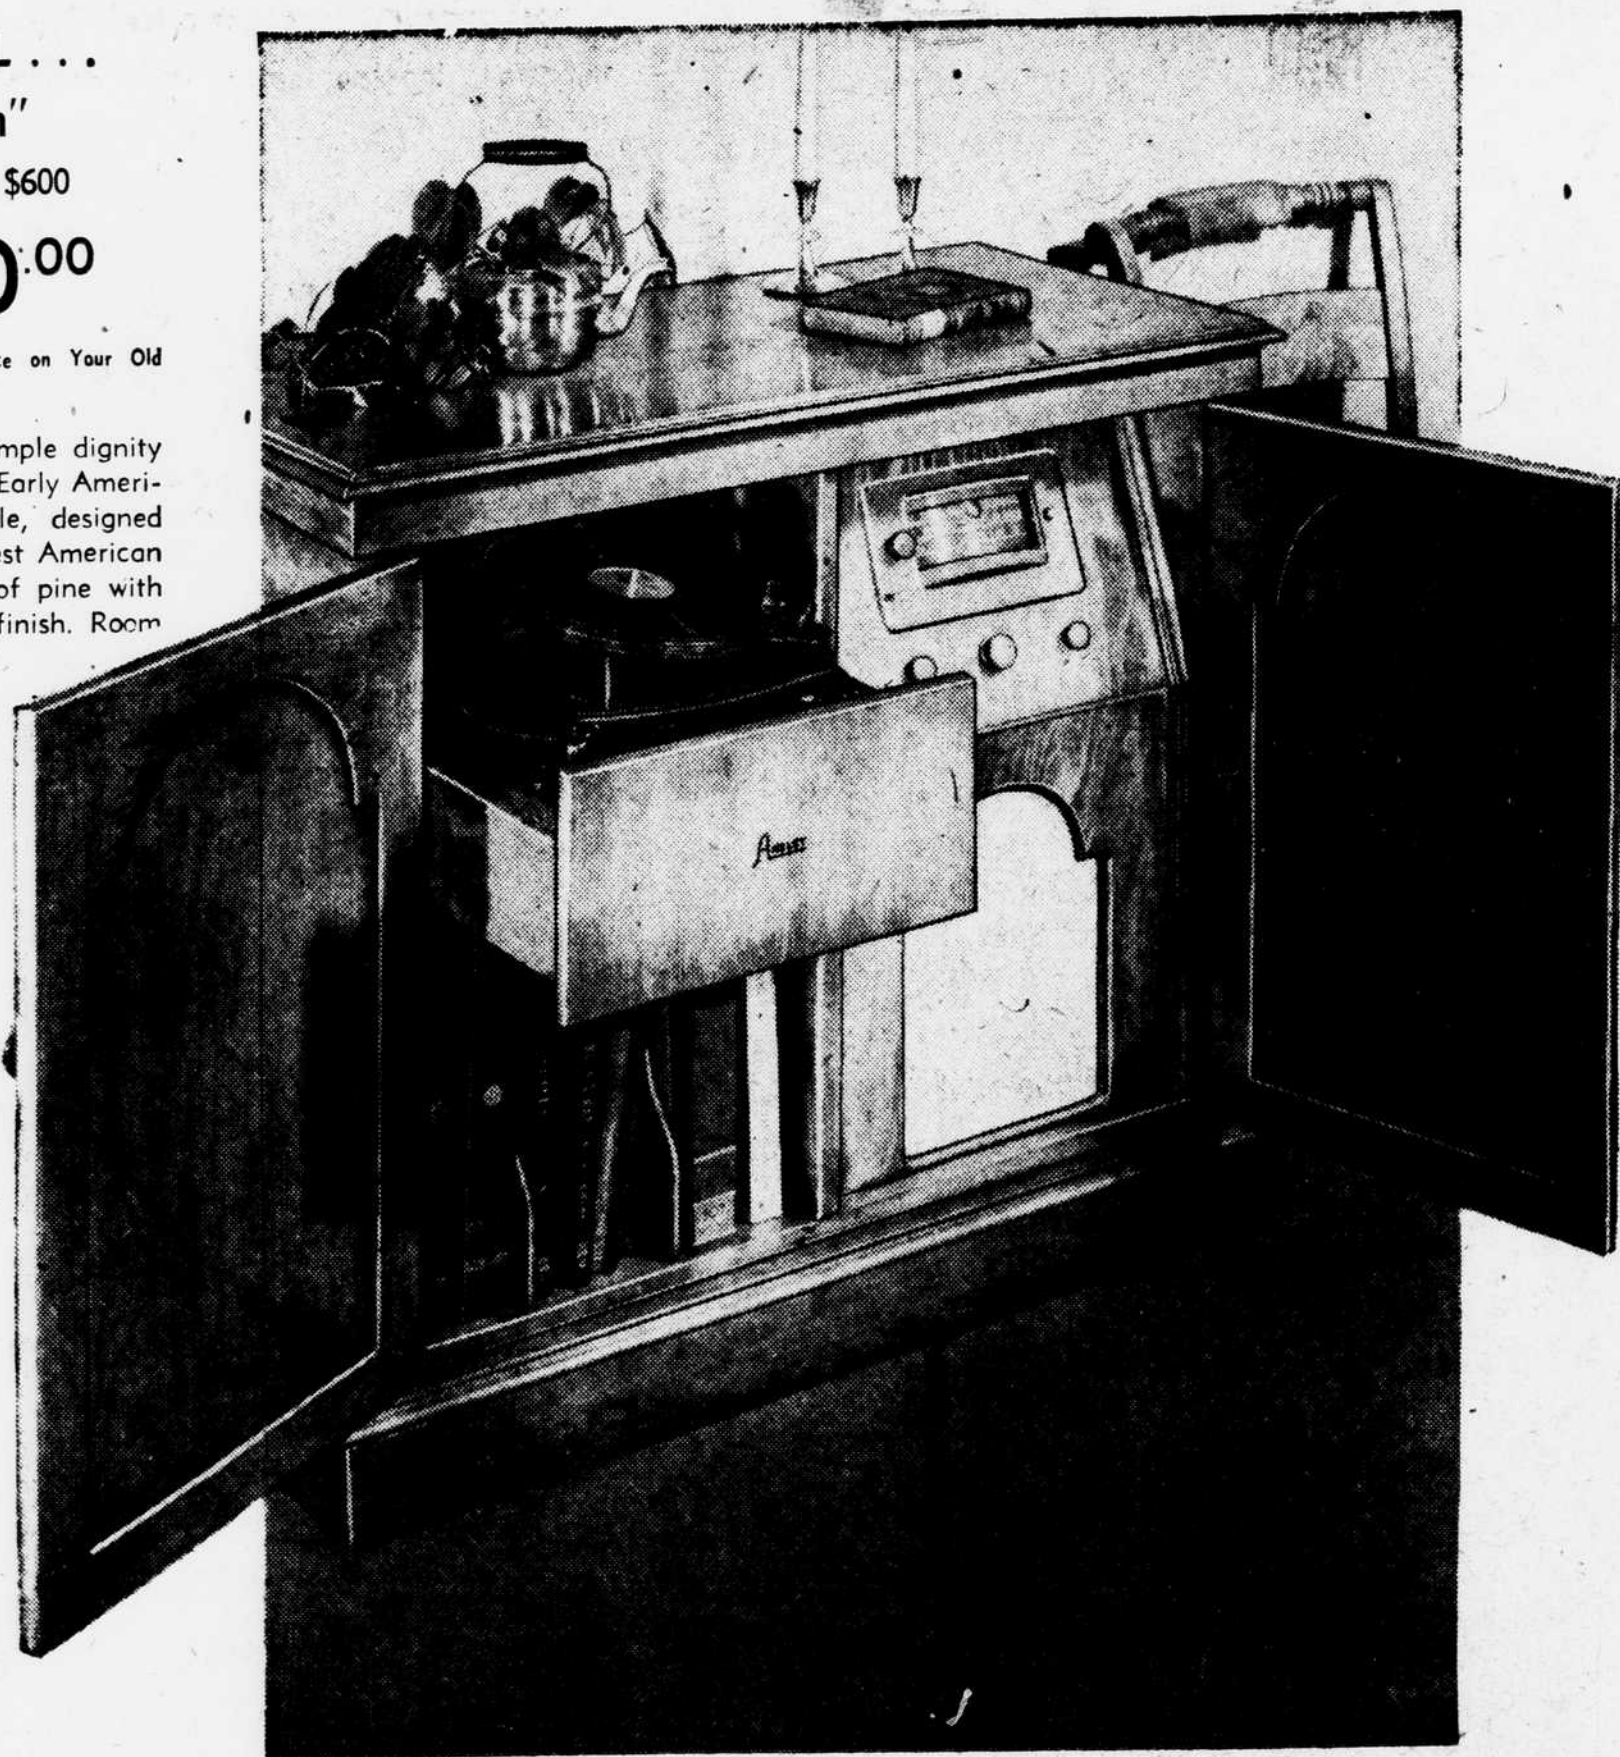

COLONIAL...
the "Salem"

List Price, \$600

300.00

Less Trade-in Allowance on Your Old Radio

You'll like the simple dignity of this authentic Early American Colonial style, designed to match the finest American antiques. Made of pine with a mellow brown finish. Room for records.

Your Choice of Traditional or Modern Console Cabinets

A repeat of one of the biggest buys in radio for several years! A special purchase brings you these Ansley Dyna-phone Radio-Phonographs at one-half the manufacturer's list prices. Every one is a fine musical instrument with sensitive reception and beautiful tone! Every one has genuine Armstrong system FM (frequency modulation)... 17 tubes, plus tuning indicator and rectifier. Separate bass and treble controls... 12-inch, high-fidelity speaker. And a Webster automatic record changer that stops after the last record has played. The cabinets are solidly built of fine material to prevent vibration... assure you exceptional tone quality. See them... hear them... at The Hecht Co. tomorrow.
