Sports fans are loudest in their praise of television! For right here in Washington, warm and comfortable in your own living room, you can SEE the big-league football games, the thrilling college tussles. And Admiral brings you 50-yd. line views clearly and sharply on this big 52-sq. in. screen. After the game, you still have the broad, selective entertainment that Admiral's FM-AM radio and record player (with the extra long-play record attachment) affords. Try Admiral's walnut veneered credenza in your home without charge or obligation. Remember, it's yours permanently for only \$40 per month after down payment of \$75 for normal installation, antenna and one year's service.
