On Saturday, Colonel Staples gave a yacht party with champagne luncheon served on board the Nereid...

The season at Ocean City. Ocean City, Md., July 18.—It may be truthfully said that the season has begun...

Presenting the majority plan and that of Captain Sigbee, attention was drawn to the fact that the absence of turret protection...

Admiral Bradford's committee considered the marked features of the majority design, to which officers have heretofore been accustomed...

It will thus be seen, he adds, that type 'A' (minority) will still have the advantage of the 8-inch gun with both sides.

Advantages are produced by Admiral Bradford to show the comparative rapidity of fire, muzzle energy, and weight of metal...

The cool trip to Arlington via the swift, safe, and comfortable electric trains of the Washington, Alexandria and Mount Vernon Railway Company...

"A Summer Paradise." To get the greatest enjoyment from your trip to the Pan-American Exposition...

acetic Complex Powder is the color brown. It is used in hairdressing and in the treatment of the scalp...

Admiral Bradford argues that his battery should be adopted to preserve the homogeneity of the fleet.

He says that the majority of the fleet consists of the Alabama and the Maine classes...

"To the unprofessional mind it might perhaps appear to be a good plan to build a fleet of vessels of different types...

The installation of the twenty 7-inch guns in the turret would be the best that there is no such weapon...

Admiral Bradford concurs with the majority of the board in recommending that the 8-inch is preferable to the 7-inch for battleships...

As to Rear Admiral Bowles, the Chief Naval Constructor, the third member of the board who voted against the superposed turret...

Among the fishing parties on Wednesday...

Colonel and Mrs. Staples will go to the Pan-American Exposition in their private yacht, the Nereid...

Among the most popular resorts of the country are those of Maine...

The Akabo was by seven minutes, covering the triangular course of 3 1/2 miles in one hour and ten minutes...
