We're Going to Take Stock

—but before we begin we want to make things a little lively. So this is what we have done. We've gone through our Men's Clothing stock and picked out small lots, odd lots and almost complete lots of certain styles that were a little backward in going forward, all good suits in excellent patterns and qualities that have commanded as much as \$18.

We've bunched them together into one large lot, and offer you your choice for

There are all sizes, styles, than almost any man may be fitted—but not every size in every style—so the early comers, naturally, have best choosing.

This is a plain statement of facts. It would almost be a waste of effort to try and interest you with a combination of strong adjectives.

You are acquainted with our straightforward methods, you are familiar with the character of our clothing, you know the interest and merit all Parker-Bridget offerings are possessed of; thus you may expect just what we advertise.

We've labored too hard and long to win your confidence to endanger it by offering less than we advertise.

We deal in facts—this clothing business would not keep growing otherwise. The styles as above stated are the best of the season, and in weights suitable for present and future wear. Many are amazingly like the ones that will open up the "fall" selling.

Have we spoken plain enough? Yes? Well, you've a privilege that hasn't been accorded before this season—of choosing from suits that have sold as high as \$18—for \$7.75.

Fitzsimmons and Sharkey to Battle at Coney Island August 24.

The Struggle to Be for a Purse of \$25,000, the Winner to Take 75 Per Cent—Continging to Take Place Before the Seaside Sporting Club—Charles White to Be Referee.

NEW YORK, Aug. 14.—Former Champion Fitzsimmons and Sharkey clinched their twenty-five round fight today by agreeing upon a battleground. At the meeting, Pat Powers was present in the interest of the Twentieth Century Athletic Club. Alex Brown spoke for the Seaside Club. Powers first offered 55 per cent of the gross receipts.

On Brown said: "On behalf of the Seaside Club I will give 60 per cent." "So will the Garden," retorted Powers. Brown then offered 65 per cent. Fitzsimmons, however, suggested a \$30,000 purse and finally \$25,000 was offered and accepted just as Billy Brady came in Brady at once subjected to Fitzsimmons and Sharkey and anxiously required: "Will you two agree to tackle Jeffries on August 21 in case of a victory?"

LOVERS DIE TOGETHER.

CLINTON, Mo., Aug. 14.—Farmer Jones and Bonnie Turner, two young people living near Coal, a village about twelve miles east of Clinton, were found in a dying condition in a buggy by the roadside this morning. They died about two hours later from the effects of morphine, which they had taken with suicidal intent. Jones was about twenty-two years old and Bonnie was eighteen. They had intended to marry, but Jones was recently kicked by a horse, which required the expenditure of the money he had saved. As soon as he recovered and found it necessary to leave home in search of work, the young people decided that they would rather die together than be separated.

TWO CHINAMEN MOBBED.

Roughly Treated by Miners at Windber, Pa. ALTOONA, Pa., Aug. 14.—For a week or more there has been an intense feeling in the mining town of Windber against two Chinamen who recently opened a laundry there. Picarards have been posted on the door of their laundry and the stairs leading down to their basement habitation have been made a depository for all kinds of filth. Saturday night the miners held a meeting and decided to warn the Chinamen out of town. They appointed a committee of five, who yesterday visited the laundry and told the Chinamen they must be missing this morning. The Chinamen laughed at them.

THE ANNUAL SEA SERPENT.

He Appears at a Sunday-School Picnic in Canada. TORONTO, Ont., Aug. 14.—A sea serpent made its appearance at Kingston, 260 miles above Toronto, today. The periodic summer visits of the monster so far inland have never been credited before but possibly to set all doubt at rest the serpent exhibited himself to a Sunday school picnic at Channel Island. A large number of people saw it, and all descriptions correspond in making the animal have a head like a cat, but larger, fully as large as a man's head, fierce, staring eyes like coals of fire, heavy whiskers or bristles on each side of the mouth, the head and neck being grey. The serpent gave chase to Fred Cadoux, at Howe's Island, who had to seek a safe landing for himself and his boat and narrowly escaped capture.
