

Circus time is coming with all its animal thrills. This unusual picture can't come from Bridgeport, home of the great three ring show, but it shows how lions may be tamed by patience. International.

Smallest dog in the world is the claim made for Roscoe, a five months old Manchester terrier, owned by Mrs. S. S. Karison of San Francisco. He weighs only thirteen ounces and stands easily on a woman's hand. International.

"Tub" Kent and the dog team with which he won the American Dog Derby at Ashton, Idaho, recently. Underwood & Underwood.

"The best coffee in the world" was that you made yourself out in Colorado. Smoky, somewhat grimy, but it sent you thirty merry miles in the saddle.

## The breakfasts you remember

Pancakes and coffee—such coffee. It was hard to tell which warmed the heart more, the coffee or the Southern hospitality.

**I**N how many strange places and under how many conditions you have eaten this most interesting of all meals.

At times, only a half-minute's delay in your rush for the train. Sometimes, amplified by many papers, it fills an idle Sunday morning until the folks return from church.

Whether you lazily experiment with many smoking dishes following one another with formality and ceremony or make shift with a bite and a swallow—all breakfasts have one thing in common, they center about the coffee.

Men who have breakfasted in all parts of the world, who have tried every coffee and many strange concoctions that attempt to take its place, choose Yuban for their own coffee.

The one coffee that has that rich, true flavor, that steaming fragrance that fills the room. Yuban is the result of generations of experience in coffee. It is the highest development in coffee.

If your breakfasts are dull and your days start heavily, try Yuban for breakfast tomorrow. See what a difference that satisfying flavor makes in your morning.

It took several butlers and many covered dishes to serve breakfast at Aunt Letty's on the Drive, but her coffee was her pride—its preparation was a sacred rite to her.
