

GOODYEAR SURPLUS \$3,620,570 in 1921

Amount Saved From Net Sales of \$82,195,550, Report for Year Shows.

The Goodyear Tire and Rubber Company's income account for ten months ended with December 31, published yesterday, shows a surplus after all charges of \$3,620,570.

Net sales for the period, including shipments to subsidiary companies and foreign branches, were \$82,195,550 and manufacturing costs, \$78,574,980.

DEPARTMENT STORE BUSINESS IMPROVES

February Sales Nearer to Normal, Says Bank.

Sales of department and apparel stores in this reserve district in February indicated a nearer normal volume of transactions than in any other trade fields.

NOT HURT BY OIL DEPRESSION.

California Petroleum Adds to Net Earnings in 1921.

In spite of depression which the oil industry suffered in 1921, the California Petroleum Company was able not only to increase its net earnings \$265,078, but also to retire \$249,623 of its preferred stock.

Issue Textile Color Card.

Advanced issues of the textile color card, showing colors in yarn from which ribbon samples are woven, have been sent to the trade.

RAILROAD TRAFFIC SHRINKAGE CEASES

February Reports Show Upturn in Gross Operating Revenues.

Railroad reports for February, announced yesterday, bore further evidence that shrinkage in traffic which started in October, 1920, and continued into January of this year has ceased.

The general run of the reports reveals gratifying gains in net railway operating income compared with reports of February, 1921, before drastic operating economies appeared in full force.
