Lend Your Quarters to Uncle Sam

EVERY ONE OF US MUST SAVE HERE FOR VICTORY "OVER THERE"

Every one must lend some money to the Government. And every one can lend some, if only a little.

No matter how slim our purse or how small our earnings, each and every one of us can spare a little for our Government if we practice a little thrift.

By investing in *War Savings Stamps* the person with only a few cents to spare can do his or her share as well and as nobly as the man with a million to invest. Remember, the Government does not ask you to give your money, but to lend it at interest. You make it work not only for those "over there" but also for you here, no matter how much or little it may be.

You may purchase *War Savings Thrift Stamps* by paying the small amount of 25 cents at a time. Sixteen Thrift Stamps plus a few cents in cash are exchangeable for a Five Dollar *War Savings Stamp*.

The Five Dollar Stamps cost from \$4.13 to \$4.23 each, according to the time purchased, and will be redeemed on January 1, 1923, at \$5 each.

The Stamps will be sold during February, 1918, at \$4.13 each, and the price will increase one cent a month during 1918.

At the average 1918 selling price *War Savings Stamps* will yield you on the redemption date four per cent. interest compounded quarterly. In case of necessity they may be redeemed before January 1, 1923, with about three per cent. interest.

The investment is the soundest on earth. The entire wealth and security of the United States is back of them.

War Savings Stamps are as easy to buy as postage stamps. They are sold at post offices, banks or trust companies, many railway stations, stores, factories, agencies and other public places.

LET'S ALL INVEST AND HELP—EVERY HAND IN THE LAND.
