Big Capital Planning New Hotels for Atlantic City

Ritz-Carlton Syndicate to Put Up 600-Room House; Two Other Large Projects

ATLANTIC CITY, N. J., April 25.—The old Windsor Hotel site, Illinois Avenue and the beach, opposite the Hotel Traymore, has been selected for a 600-room hotel, it was announced here to-day.

The Ritz-Carlton syndicate proposes its erection. The statement is made by Horace Trumbauer, architect, of Philadelphia, who has drawn the plans. The Cramp Construction Company of Philadelphia is asking for estimates on the probable cost and local contractors have been asked for information as to resort industrial conditions, especially in the labor field.

Hershey, the chocolate manufacturer, is announced as interested in a 2,400-room hotel to be erected on the site of the Sea View excursion house in Chelsea. Plans for this operation were drawn in New York. United States Senator Boies Penrose is one of the owners of the site.

A third hotel proposition is credited to the du Ponts of Delaware. They are reported to be planning a hotel on the beach at the sea end of Virginia Avenue, opposite the steel pier.

The owners of the Hotel Ambassador, on Brighton Avenue, are negotiating for the rest of the block of land. The object is to extend the hotel with a new wing next fall. The present building now occupies the entire beach-front block.

Realty Teams Push Bond Total To $1,225,925

Excelsior Bank Contributes $200,000; Speyer & Co. Win Right to Fly Honor Emblem on the Building

Real estate brokers carried their Victory bond total well over the $1,000,000 mark yesterday. When reports for the day were figured it was found that the drive is well on toward the $2,000,000 mark. The grand total is $1,225,925. Mr. Marling hoped last night to be able to report a round million and a quarter to the bond committee, but subscriptions which he knew had been made had not reached him and he was forced to forget what he knew and await cold figures, which will reach him in the morning.

The Excelsior Savings Bank was the big contributor to the brokers' drive yesterday. Through H. L. C. Roome the bank subscribed for $200,000 worth of the Victory issue. William H. Wheelock, president of the Douglas Robinson, Charles S. Brown Company, subscribed for $10,000; Joseph P. Day, for an estate, $2,575, and Speyer & Co., bankers, $3,500. The bankers' subscription was based on the assessed value of their building. They are the first to be permitted to fly the banner, indicating that they have subscribed one-half of 1 per cent of the assessed value of their property to the government bond issue.

Employes of the Hudson and Manhattan Company, better known as the McAdoo Company, which operates the terminal buildings in Church Street and the tube to New Jersey, subscribed $2,000.

Mr. Marling said that the drive is behind the record for the first five days of the previous bond campaign of the real estate division, but he has no fear that the brokers will not equal their work of last fall. Mr. Marling said that he has knowledge of subscriptions which, when turned in to headquarters, will reduce greatly the margin of difference in the total between the Liberty drive and Victory drive, which yesterday was $350,000.
