to cover their case, and they will then have the means at command to live handsomely where they may please; or else they can live abroad. By-the-bye, has Mr. Simeon Hart a house in your city? His brother, Mr. Henry Hart, who is reputed to be in business in New-York, has been through Texas since the Rebellion began, and is said to have returned. It has lately been discovered in the course of a quarrel between Majors Russell and Hart, that a large quantity of cotton, which was crossed into Mexico, marked H. H., with M. K. below, though supposed to belong to the Rebel Government, was really the property of one or both of the Harts and of Thomas F. McKinney, who was one of the Commissioners not long since sent out to Vidaurri to negotiate for the reopening of the Piedras Negras trade. Has any of this cotton reached New-York, and, if so, to whom was it consigned?

By the latest arrival from Monterey the news has come that President Juarez has concluded to make that city his capital. It is, perhaps, more accessible to all the points with which he has occasion to keep up communication than Saltillo. RIO GRANDE.

The name "A. Morton," "Number," and "Quality," are stamped on the following Pens, and the points are warranted for six months, except against accident.

The Numbers indicate size *only*; No. 1 being the smallest, No. 6 the largest, adapted for the pocket; No. 4 the smallest, and No. 10 the largest Mammoth Gold Pen, for the desk.

The "1st Quality" are pointed with the very best Iridosmin Points, carefully selected, and none of this quality are sold with the slightest imperfection which skill and the closest scrutiny can detect.

The "2d Quality" are superior to any Pens made by him previous to the year 1860.

The "3d Quality" he intends shall equal in respect to Durability, Elasticity and Good Writing Qualities (the only true considerations) any Gold Pens made elsewhere.

In regard to the Cheap Gold Pens, he begs leave to say that, previous to operating his New and Patented Machines, he could not have made as Good Writing and Durable Pens, for the price, had the Gold been furnished gratuitously.

Parties ordering must in all instances specify the "Name" or the "Number" and "Quality" of the Pens wanted, and be particular to describe the kind they prefer—whether stiff or limber, coarse or fine.

All remittances sent by mail in registered letters are at my risk; and to all who send twenty cents (charge for registering), in addition to the price of goods ordered, I will guaranty their safe delivery.

Parties sending Gold or Silver will be allowed the full premium on the day received.

NOTICE.—To the Stockholders of the UNION PACIFIC RAILWAY COMPANY, Eastern Division, formerly called the Leavenworth, Pawnee, and Western Railroad Company, and all others whom it may concern: At a meeting of the Directors of the above-named Company, held at Leavenworth, April 5, 1864, the following resolutions were adopted and ordered published:

Resolved, That an instalment of 20 per cent upon all stock issued or subscribed for is hereby called payable at the option of the stockholders, either to John Kerr, Treasurer of the Company, at Leavenworth City, or to Edward Learned, Financial Agent of the Company, at No. 43 Pine-st., New-York, on or before the 20th day of May next, and that the Secretary is hereby directed to cause this notice to be published in two or more papers of general circulation in each of the States of Kansas and Missouri, and also in each of the cities of New-York and Washington.

Resolved, That all authority to any person or party heretofore conferred to act as an agent or representative of this Company, or claimed to be possessed by any person or party, is hereby revoked and rescinded, and all agencies of authority hereafter shall only be exercised by persons or parties authorized or recognized by the present or future Board of Directors, and that the Secretary be directed to give public notice of the revocation herein contained. HENRY FOOTE, Secretary.

NOTICE.—TO the STOCKHOLDERS of the UNION PACIFIC RAILWAY COMPANY, EASTERN DIVISION, formerly called the LEAVENWORTH, PAWNEE AND WESTERN RAILROAD COMPANY, and all others whom it may concern: At a meeting of the Stockholders of the above-named Company, held at Leavenworth on the 4th and 5th days of April inst., the following preamble and resolutions were adopted:

Whereas, By the contract of four parts between this Company, John C. Fremont, Ross, Steel & Co., and Edward Learned, approved by this meeting, large and valuable concessions of his interests as a stockholder have been made by said Fremont to promote the speedy construction of the road; and *whereas*, it is probable that similar concessions may be agreed to by other stockholders; therefore

Resolved, That said Learned, as the financial agent of the Company, be authorized and empowered to negotiate with any parties, who are the holders or are interested in the stock of the Company, for the transfer and delivery to such financial agent of such, and so much of said stock as such parties may be willing so to consolidate by him issued, disposed of, or distributed, in like manner and for the same purposes, as is in said agreement provided, with reference to the shares agreed to be transferred to him by said Fremont, and in consideration therefor, the said financial agent is authorized and empowered to mark and indorse upon the certificates of shares which may be retained by such shareholders, severally, or to the end they may be entitled upon making any such transfers, that such retained or so entitled shares are full paid and not subject to assessment; provided that such marking or indorsement shall not be made as aforesaid in any case so as to apply or be of effect, as to more shares in this Company than shall be equal to one fourth of the number of shares so transferred to the said financial agent in pursuance hereof by such shareholders, respectively, and thereafter all such marked or indorsed certificates shall be deemed full paid for the number of shares embraced in such indorsements respectively, and the stockholders making the concessions and transfers hereinbefore provided for, shall forever after be held by the Company free from any payments or liabilities for, or on account of, or in any manner relating to the shares which they shall so severally transfer to said financial agent.

Resolved, further, In case it shall occur that from any cause any of the shares which may be transferred to the financial agent as aforesaid, or in pursuance of the aforesaid contract, shall at any time be found to belong wholly or in part to any other person or party, than the person or party who shall have so transferred the same, the said financial agent shall be and hereby is authorized, to transfer to such person or party, as shall so be found to be the rightful owner thereof, the shares so erroneously transferred to him.

Resolved, That the holders of certificates, obligations, or other memoranda issued in the name or on behalf of the company, which are claimed to entitle such holder to full paid or unassessable shares of the capital stock, be notified by the Directors, by public advertisement, or in such other manner as the Directors may determine, to present the same together with any evidences of their right to require such shares to be made full paid or unassessable as aforesaid, to the Executive Committee of the Company, in the City of New-York, within sixty days next following the issuing of such notices respectively, in order that all such certificates, obligations, or memoranda may be adjudicated, and proper formal certificates be issued in lieu thereof, in so far as such holders shall be deemed to be entitled thereto, by said Executive Committee. In case any holder shall refuse or omit to present his certificate, obligation, or memoranda, as aforesaid, and for the purposes and within the time aforesaid, or in case any of the evidences furnished as aforesaid shall be deemed by the Executive Committee to be insufficient to entitle the holder to such full paid shares, the officers of the Company shall thereafter refuse to recognize or admit any liability of the Company to make or issue full paid shares, on account of any such particular certificates, obligations, or memoranda, or to treat the same in any manner as full paid shares, except upon the claims of bona fide holders thereof being established by due process of law, or upon competent legal evidence that such claims are obligations on the Company, in the event of any irregularity or defective equity in the claim of any holder of any such certificate, obligation, or memorandum, the Executive Committee are hereby authorized to adjust the claims of any such holder, in such manner as said Committee shall deem equitable, and to cause to be issued in settlement thereof such number of full paid shares as said Committee shall so deem to be just and equitable.

Pursuant to the foregoing Resolutions and to directions of the Executive Committee, all persons interested are requested to transmit to the undersigned, at his office, No. 48 Pine-st., in the City of New-York, such statements, propositions and papers as will render the proposed benefits available to them in the resolutions; viz., sixty days from the date hereof.

To Farmers and Others.

DAVID THOMPSON,
HORTICULTURIST AND NURSERYMAN,
Green Island (opposite Troy),
has on hand, and now ready for transplanting, a large quantity of superior and hardy GRAPE VINES, in all about sixty varieties—his catalogue gives specific character and qualities.

Has also on hand a large assortment of STRAWBERRY VINES, some of which ripen as early as the 20th of May. See Catalogue for details.

Has also French, Prussian and German PRUNES; also, that superior celebrated ZWETSCHEN PRUNE, so favorably noticed in and by the Farmers' Club in New-York City, The Tribune newspaper, and The Country Gentleman. Speaking of THOMPSON'S GRAPES, the Farmer's Club says:

"If this is a Seedling that will ripen at Troy every year with certainty, then it is an acquisition worthy of notice."

In the discussion of the Club on the PRUNE it was said: "There are several varieties of the Prune, and this (the Zwetschen Gate, commonly called Switzer), and this may be one of them; at any rate, it was the unanimous opinion of the Club that it is a very excellent fruit, and well worthy of recommendation for general culture"—"is the best Prune they ever tasted"—to be careful not to recommend anything not worthy, but are willing to give this Prune the highest recommendation.

Backed and sustained as he is by so distinguished a body as the Farmers' Club of New-York city (amateurs as well as practical cultivators of Fruits and Vines themselves), Mr. Thompson comes before his fellow citizens, confidently believing he is able to present to them such varieties of plants as shall suit their taste and choice, urging all to plant a Vine, a Tree, or a Strawberry Bed, that, in the course of one or two years, at most, they can at their own homes enjoy the fruits, so easily to be obtained in the beginning, and which luxuriantly gratify in the end.

Mr. THOMPSON is at all times in readiness to attend to calls for his services in caring for the Fruit Yards, Vines, and Gardens of his friends and employers, in the line of his profession.
