Seventh District.

The draft which was to have taken place yesterday in the Seventh District, Eleventh Ward, is postponed till to-day at 10 o'clock.

Quite a number of recruits have presented themselves during the past two days, but owing to the scarcity of money in the hands of Capt. Wagner, he has not been able to receive them. Some patriotic gentlemen in the district advanced the money to pay the bounty of seven recruits yesterday.

The present deficiency in the quota of the Eleventh Ward is.....1,029
The deficiency in the Seventeenth Ward is.....1,560

Making a Total in the District of.....2,589

The draft for the Seventeenth Ward will probably take place on Monday.

Eighth District—Twenty-First Ward.

The same scarcity of money is felt in this Ward as in the Eleventh.

Thirteen substitutes were received on Thursday. Capt. Maniere could obtain as many as twenty recruits daily if he had the money.

The deficiency in the Twenty-first Ward is only about 200.

Ninth District—Nineteenth Ward.

Capt. Dunning has received no orders to commence the draft in this Ward. There was an attempt at desertion from this Provost-Marshal's office. A man of the name of Taylor, mustered in as a substitute for Mr. B. F. Corlies, attempted to desert while on the way to get his supper. He eluded one of his guard, but was seen by the second, who shot him. The bullet went through the man's wrist, seriously damaging the arm, which will most probably have to be amputated.

He was sent to the United States General Hospital, corner of Lexington-ave. and Fifty-third-st.

A curious incident occurred in connection with this.

The bullet after having passed through the wrist of the man pursued its way into the office of a coal yard opposite, breaking some of the furniture. Capt. Dunning received the following note from the proprietor:

COAL YARD, No. 622 Eighth-ave.
To C. E. Orrok, Dr.

Capt. DUNNING
To value of Office Chair broken by shot at Bounty Jumper, Thursday evening, March 31.....$1 50
To cast-iron fire shovel, destroyed by same shot..... 20
To repairing sleeve of coat cut by same shot..... 50
Total.....$2 20

New-York, March 31, 1865.

Capt. DUNNING—*Dear Sir:* If your man had shot that bounty-jumper through the heart instead of the wrist, I would have been perfectly satisfied to pocket the damages. Please instruct them to do it next time, and I will take the chances of another shot without charge. Yours, etc., C. E. ORROK.

MEETINGS TO POSTPONE THE DRAFT

Tenth Ward.

The citizens of the Tenth Ward met at Essex Market Court room on Thursday night, Hon. E. F. Purdy, Chairman, Mr. J. R. Lawrence, Secretary. Encouraging statements were made by the Chairman, and the Finance Committee avowed their intention to proceed at once to collect subscriptions. A subscription list was opened on the spot, and a considerable sum was raised, after which the meeting adjourned.

Twelfth Ward.

A very large gathering of the citizens of the Twelfth Ward took place in Washington Hall, Harlem, with Alderman Van Voorhies as Chairman and Mr. H. L. Robertson, Secretary. There were spirited addresses by Messrs. H. B. Perkins, Capt. Dunning, William B. Astor, ex-Mayor Tiemann, Hon. W. A. Darling and others, severally urging the people to unremitting activity in filling up the quota of the Ward. Mr. Astor subscribed $5,000 toward the Bounty Loan and the fund for raising volunteers. The meeting was enlivened by the singing of a fine glee-club.

Four
