☞ **Seventh Ward.**—At a meeting of many of the Whigs of this Ward, held at the corner of East Broadway and Pike-st on Saturday evening last, Mr. JOSEPH T. MILLS was called to the Chair, and Mr. E. S. McPherson appointed Secretary.

The following Preamble and Resolutions were unanimously adopted:

Whereas, The Ward Committee having been petitioned by a large number of the oldest and most substantial Whig Electors of the Ward to grant them a day election at a suitable time and place, and that proper notice of the same be given; and whereas said Ward Committee have, for reasons best known to themselves, refused to grant said petition, and have not yet given notice nor intimation at what time, place or manner the Primary Election is to be held for the choosing the various Delegations; therefore,

Resolved, That we consider the conduct of the Ward Committee in thus refusing to grant said petition, and especially in keeping in profound ignorance the Whig citizens of the Ward in relation to the time, place and manner of holding such Primary Election—an outrage upon their rights that cannot, and will not be tolerated; and that we deem their course in this matter unparalleled in the history of the worst days of Loco-Foco misrule, wire-pullings and back-stair management at Tammany Hall.

Resolved, That we see in their mean and outrageous conduct, the unmistakable evidence that they are conscious of the gross weakness, and are satisfied, should the *usual* notice be given of the time, place and manner of holding the said Primary Election, that they will be beaten; (for, we ask, if this is not the case, Why this secrecy in keeping the knowledge of the time and place of the meeting from the Whigs of the Ward?) and we hereby declare that we believe, as time will show, that some trap is to be sprung that will render it impossible for but a few of the large number interested, and those of their own clique, to be apprised of the time and place of meeting until it is too late; and, further, that we consider their course a gross insult to the respectable petitioners, and an act of contemptible PETTY tyranny unsurpassed.

Resolved, That we recommend the Whig Electors of the Seventh Ward to carefully examine this morning's papers for the purpose of ascertaining the time and place of holding the Primary Election, (if any notice shall be given) and that, in case no notice shall be given by the Ward Committee, that the Whigs be requested to meet this evening at the corner of East Broadway and Pike-st. at 7 o'clock, for the purpose of selecting the proper delegates to the various Conventions.

Resolved, That the proceedings of this meeting be published in The Daily Tribune. J. T. MILLS, Chairman.
