HOT WEATHER PREPAREDNESS

There'll be hot time in the old town pretty soon, said the man who knows everything. This cool weather in June is not going to last many hours longer. Just wait till Old Sol gets his mind on business and Washington will be mopping the perspiration off its face and climbing into summer clothes. If you haven't ordered your summer suit yet, you'd better hurry around to Mr. Stein & Co.'s, 3th and F Sts., and get a nice summer suit tailored to your order at \$14.75 or \$18.75—about half the usual prices—for this is the sale of the season at Stein's and everything in the stock is reduced. There's a lot of comfort in having a cool, natty suit that fits you and Mr. Mudd, the designer at Mr. Stein & Co.'s, is the cleverest artist in his line in Washington. If you leave that order now for the suit Stein will have it ready for you by the weekend when you want to take a little trip somewhere—or go to see your best girl.—Adv.
