LIST OF JURORS—U. S. COURT.—The names of petit jurors summoned to serve during the May term of the United States Circuit Court which commences on Tuesday morning, May 21st, are as follows:

A. E. Hale, Cherry Valley; J. Y. Cory, Wankegan; Hiram Bledlecom, do; Jasper Parker, do; F. H. Mather, Wheaton; Z. B. Hayes, Sycamore; R. R. Allen, Aurora; G. W. Renwick, Elgin; Chas. Patton, Geneva; Wm. Y. Plum, Aurora; Geo. F. Kasson, Woodstock; W. W. Salisbury, Chicago; Edward Hamilton, do; Warren E. Johnson, do; Jno. W. Kennedy, do; Wm. Thomas, do; Wm. H. Kellogg, do; L. K. Osborn, do; John S. Russell, do.

HELD TO BAIL.—In yesterday's Police Court Peter C. Kevan was held to bail in $500 for stealing sundry dry goods, valued at $21, and the property of Mr. and Mrs. Goodman of Dunton. The latter came into the city on Friday last and purchased the goods at Boss & Foster's, leaving them temporarily at a saloon near the Northwestern Depot, from which they were taken by Kevan. Kevan, at the time of the larceny, was at large on his own recognizance to appear at the next term of the Recorder's Court on a similar charge. So it would appear he has now a double interest in the approaching term of the Recorder's Court.

The Sturges Rifles.

Unfavorable weather on Sunday modified the plans announced for religious exercises at Camp Sturges Cottage Grove. At 2 P. M. the company marched citywards, made an attack upon an excellent Sunday dinner at the Orient which in no respect diminished the reputation of mine host Danolds as a caterer. They thence marched to St. James church, where an eloquent and patriotic sermon was delivered to them by Rev. Dr. Clarkson. Thus well provided in the food administered to soul and body, the boys went back to camp in cars furnished by the City Railroad Company.

We learn that at 6½ P. M. to-night, the Sturges Rifle Company leave by the Illinois Central Railroad for Gilman Station, on the Illinois Central, eighty-one miles from this city, where they will go into camp for a few days. In a short time, unless otherwise ordered, they are to present themselves at the head-quarters of Major-General McClellan.

What the Ladies are Doing.

The ladies are untiring in their efforts in sewing for the soldiers, supplying those in camp with necessaries, and the sick in hospitals with comforts and conveniences. Multitudes of garments have been already sent from McVicker's sewing room to our different companies, comprising hundreds of undershirts, uniform shirts and pants, caps, socks, woolen blankets, India-rubber blankets lined and unlined, needle books filled, sheets, pillows, towels, mosquito nets, &c., &c.

It is pleasant to see those from different churches and organizations dropping in as they have leisure days or half days, stopping from their marketing and stopping excursions for an hour or two; finding something for or their willing hands to do any day, and any hour, suiting their own convenience, thus working with greater efficiency than in any other way.

Other societies and churches remote from this circle, find it more convenient to meet among themselves, answering to this universal call.

Dangerous if not Fatal Affray.

On Saturday night, or rather Sunday morning about 2 a. m., a desperate fight took place between one Michael McDonald, a fireman on the Lake Superior steamer Sea Bird, and Patrick Sands, a deck hand on the same steamer. The attention of officer Cummings was first called to the affray by two men on Lasalle st., who informed him that a man was murdered at the dock of the Lake Superior line of steamers, foot of Lasalle street. The officer hurried to the spot and found Sands lying upon the dock, weltering in blood, from a dangerous cut in the left side.

A short distance off, McDonald was found, covered with blood and his face battered up in a terrible manner, bearing unmistakable evidence of a desperate fight. The officer arrested him, brought him back to the dock and confronted him with Sands, who asserted that Mc Donald had stabbed him and thrown the knife into the river. The wounded man was conveyed to the Marine Hospital. Although receiving the best of medical treatment there is little hope of his recovering as internal hemorrhage has set in.

The prisoner was brought up in yesterday's Police Court but remained to await the result of the injuries of Sands. It is known that the parties were good friends on the voyage up the lake, and the quarrel it is likely grew out of their cups in a Saturday night spree.

MARRIED.

In Brooklyn, (E. D.) N. Y., on the 8th inst., by Rev. R. L. Stanton, JOSEPH S. HEAD, of Chicago, Ill., and ELIZA W., daughter of Fleming Duncan, of the former place.

The New German Regiment.

The "Hecker Jaeger Regiment" has elected their regimental officers, as follows:

Colonel—Frederick Hecker.
Lieut. Colonel—C. Knobelsdorf.
Major—Julian Kune.
Adjutant—J. Gosch.

A committee, consisting of Messrs. Gosch, Bædecker, Mersehner, Paul, and Gerhardt, were appointed to collect the necessary funds and provisions for the temporary use of the regiment.

It was resolved to send a committee of three at once to Washington to urge the acceptance of the regiment for the war. Lieut. Colonel Knobelsdorf, Major Kune and Capt. Von Horn were appointed such committee.

The following is a list of companies composing this regiment, all filled with picked men:

Company A, Washington Grenadiers, Capt. L. Becker.

Company B, German Rifles, Capt. Marschner.

Company C, Hecker Jaeger Co., Capt. Knobelsdorf

Company D, Union Cadets, No. 2, Capt. Lang.
Company E, Union Guards, Capt. Endris.
Company F, Swiss Sharpshooters, Capt. Dilloff.
Company G, Jefferson Volunteers, Capt. Messler.
Company H, Chicago Jaeger, Capt. Tiehlesman.
Company J, Pioneers, Capt. Von Horn.
Company K, Cicero Volunteer Co., Capt. Lamber.

CHICAGO SUNDAY SCHOOL UNION.—At their late annual meeting the Union elected members as follows:

President—James T. Griffin.
Secretary—E. O. Wilder.
Executive Committee—B. F. Jacobs, Wm. Tomkinson, J. A. Parsons, J. M. Cutler, J. S. Underwood.

EARLY CLOSING MOVEMENT.—The Dry Goods Clerks' Early Association of this city, organized for the purpose of procuring shorter hours of business in the dry goods establishments of the city, appointed a committee at a late meeting, to wait on the employers and respectfully solicit their co-operation. The following employers, in the kindest manner signified their willingness to close their places of business at 7 p. m. in the summer, and 6 p. m. in the winter, providing all agree to it:

P. Palmer & Co.	Phelps & Seeley,
J. H. Gray,	C. I. American,
T. B. Carter,	Schoener & Tinee,
Hoyne, Leisers & Co.,	Goodrich & Redman,
W. M. Rose & Co.,	F. Stinson,
Freedman & Goodkind,	Chas. Wetzler,
C. S. & S. Stein,	B. Felix,
Phillip Conley,	Cline & Mandle,
N. M. Larrawey,	Yerkes & Hither,
Stryker & Co.,	P. Hutchinson,
S. Bateman,	H. Goodman,
Fernan & Koenig,	S. Livingston,
A. Marcus & Son,	M. Loeb,
J. Linn,	B. Goodkind,
Shoenfield Bros.,	T. Ma rcuse.

The above shows an almost unanimous rolling amongst the merchants favorable to this movement, there being only two exceptions. It is unnecessary, in such a notice as this, to dwell upon the many advantages, especially to the clerks, such as moral, social and intellectual improvement and happiness derived from shorter hours of business, without being detrimental in the *least* to the *best interest* of the *employers*, the convenience of the public by such an arrangement not being interfered with, for it is a well-established fact that no respectable house finds it to their interest to keep open longer than the persons we wish to procure. It is only third class houses whose stock of goods will not bear too close inspection, who find *gas light* better than the light of Heaven in which to exhibit their wares. Custom no doubt exacts a certain amount of influence in the city; but when no necessity exists, custom can be easily overcome. We do not wish immediately to bring this matter into operation, but respectfully submit the list of June as the period at which to commence. Hoping by that time the two respectable houses who have refused to co operate in this movement will rescind their determination, and grant the privilege to their employees which their fellow merchants so willingly agreed to grant theirs. But it is to the *ladies* of Chicago we appeal and put our trust as to carrying out this undertaking. You, fair ones, who would not have a noxious insect in your path, think how much there is in your power to do. Remember units make millions. Raise your voice in your own household and forbid late shopping. Forbid even all trading with houses that do not keep open, and our object is accomplished. Think;—it is the month of May; bright Summer, golden Autumn is before us. Then turn your thoughts, as you breathe the perfume of flowers, or inhale the fresh lake breeze, to the crowded stores and their sickly, heart-crushed denizens. Yet they might have their morning and evening walk in the bright summer, and in the winter the cheerful fireside, the friendly converse and the pleasant book. Health might bloom on their cheeks, and joy sparkle in their eyes. To your hearts, ladies, and your sympathies we appeal, and willingly leave the result whether we are to have long or shorter hours of business.

The *Canadian*, with Liverpool dates to the 9th inst., was telegraphed to-day, reporting flour firm and slightly higher; wheat firm; corn quiet and steady; beef steady; pork firm; bacon quiet; lard and tallow dull.

There was a good attendance on 'Change to-day, but there is not much disposition to transact business, as all our currency troubles are settled, and the value of all kinds of produce were light. "Stump-tail" currency was rejected nearly by all; some refused to take checks for preferred currency; others preferred everything but gold or eastern exchange. There was little or nothing done in the way of produce in fair request, and about 20,000 bushels were sold at the following rates: for Flour. Wheat ..... for No. 2 Spring; 000 bushels were sold at ..... for No. 1 N. Y. sight drafts, gold, No. 2 Spring at 86c; ..... checks, No. 1 at 87c; and for preferred ..... 3,000 bushels at 91@93c, and No. 2 at 88@90c. Also ..... for N. Y. Corn were sold at the following rates: ..... and 29c in sight drafts, mixed, at 27@28c in store ..... ffoat; for preferred checks, 32c afloat, and ..... store. There was nothing done in either Rye, or Barley.

Freights were dull and lower. Three vessels were engaged at 10c for wheat to Kingston, 6c for wheat to Buffalo, and 4½c for corn to Collingwood.

FLOUR AND GRAIN IN STORE.

The following is the estimate of Mr. Catlin, Secretary of the Board of Trade, of the amount of Flour and grain in store, May 20:

Flour, bbls	33,645
Wheat, bus	580,362
Corn, bus	1,039,804

Receipts at Tide-Water.

The quantity of flour, wheat, corn and barley left at tide-water during the 21 weeks in May, in the years 1860 and 1861, is as follows:

	Flour, bris.	Wheat, bus.	Corn, bus.	Barley, bus.
1860	83,938	127,373	47,429	27,017
1861	11,427	659,128	218,833	18,450
Dec	72,516	Inc 531,750	Dec 79,161	Dec 8,567

The aggregate quantity of the same article left at tide-water from the commencement of navigation to the 15th of May inclusive, during the years 1860 and 1861 is as follows:

	Flour, bris.	Wheat, bus.	Corn, bus.	Barley, bus.
1860	43,953	129,173	402,492	47,053
1861	31,400	726,361	322,833	33,017
Dec	12,553	Inc 597,188	Dec 69,670	Dec 8,036

By reducing the wheat to flour, the quantity of the latter left at tide-water this year, compared with the corresponding period of last year, shows a gain of 93,635 brls flour.

The following comparative table shows the quantity of some of the principal articles of produce left at tide-water from the commencement of navigation to and including the 15th of May, in the years indicated:

MARKETS BY THE LATEST MAILS.

PHILADELPHIA FLOUR MARKET.—May 7.—The high prices paid for wheat, and the light receipts of flour from all sources have imparted more firmness to the flour market, and most holders are offering their stocks less freely. The demand both for export and home use is limited, and the only sales we hear of are 400 brls Ohio, mostly good Ohio extra family, at $5 87½ @ 6 00; standard superfine is held at $5 50@5 62½, with a moderate trade demand at from these rates up to $5 75@6 00 for common and good extra, $6 25@6 50 for extra family, and $6 75@7 00 for fancy brands, as in quality, and the market rather quiet. Rye flour is dull, and selling in a small way only, at $3 50 @ [illegible]

LONDON, 9th.—Breadstuffs dull and unchanged. Illinois Central shares 39¾@39¼ discount; Erie 19¼.

LIVERPOOL, May 9th.—Breadstuffs—R. S. & Co. and W. & Co. report flour firm, slightly higher. Wheat firm; red 11s3d@12s8d; white 12s6d@14s. Corn quiet, but steady; mixed 34s6d; yellow 34s6d@35s9d; white 34s@35s6d.

Beef steady. Pork firm. Bacon quiet. Lard dull—quotations unchanged. Tallow dull.

LONDON, 9th.—Funds dull, but stationary. The principal causes of the depression are the fact that American crisis will throw considerable demand on England for many articles of produce and manufacture, while its effect is being strongly manifested on shipping. The belief in an early advance of the Bank minimum is gaining ground.

Harvest prospects of France represented very bad, owing to cold weather. Wheat crop has been seriously damaged; also the brandy crop at Cognac.

To Contractors.

BOARD OF PUBLIC WORKS OFFICE, Chicago, Ill., May 11, 1-61.

Sealed proposals will be received at said office, at 11 o'clock A. M., on Wednesday, the 21st inst., for furnishing Two Millions of Hard Burnt Sewer Brick, to be delivered in the dimensions, made of the best materials, square edged, free from lime, pebbles and lists.

Specimens must accompany each proposal.

The bricks to be delivered in quantities and at times, as follows, viz: One-fourth of the quantity contracted for on or before the first of June, and the remainder during three-fourths in equal quantities in two, four and six weeks thereafter. The bricks to be subject to the inspection and measurement of an inspector of the Board of Public Works.

Proposals will state the price per thousand and piled up on the line of sewers on the streets, where required for use. The contractor to remove all rejected bricks from the sewers piled up. Each proposal to be indorsed—"Proposal for Bricks," and addressed to the "Board of Public Works."

Also, at the same time and place, for constructing about 1,300 ft in ... 6,000 ft of 8 ft, 2,700 ft of 4½ ft, 1,300 ft of 4 ft, 4,000 ft of 3 ft, and 700 ft of Brick Sewers, circular in form, to be eight inches thick when 4 ft or upwards in diameter, and four inches thick when 3 ft or less in diameter, laid in Portland cement.

Proposals will state the price per lineal foot for the work complete, including all materials and labor except bricks, junction pipes and manhole covers, which will be furnished by the Board.

Also for Trenching and Backfilling for the laying of sewers, 4 ft or less, water main.

For Plans and Specifications inquire at this office, in the Court House.

Satisfactory security for the faithful performance of all contracts will be required.

The Board will reserve the right to reject any or all proposals at their discretion.

By order of the Board.
