FAREWELL PERFORMANCES OF KELLAR.

At the Comedy Theatre on Wednesday evening Kellar will receive a testimonial benefit, and on Friday evening his 179th consecutive and farewell performance at the Comedy will be given. Then the tilting tables will be presented to the person who has correctly guessed the weight of either. No matinee performance will be given on Saturday, but in the evening "Tony" Hart will begin an engagement in "The Toy Pistol."

IN THE FRONT RANK.

Another New-York insurance company, the New-York Life, finds reason in its successful record for appealing to the public in more than the routine single insertion of its annual statement of business. The companies which have a thoroughly good record are apt to point to it a good deal and in the most public places, and to find their account therein. Perhaps that is one reason why the New-York Life maintains its position in the very front rank.

THE DEATH OF CAPTAIN LITTLE.

Captain Francis Asbury Little, who died on a stoop at No. 217 Sixth-ave., on Friday night, for more than thirty years has been familiar to the travelling public between here and Long Branch as the commander of the steamer Sea Bird. Captain Little's home was in Redbank, N. J. He was sixty years old, and his wife and five children survive him. An investigation by Coroner Eidmann showed the cause of death to be apoplexy.

TEMPERANCE INSTITUTES.

Two temperance institutes will be held this evening under the auspices of the Committee on Temperance of the Presbyterian churches of this city. One will be held at the Twenty-third Street Church, at which the Rev. Drs. Erskine N. White and John C. Bliss and Wilbur F. Crafts will speak; and the other at the First Union Church, in East Eighty-sixth-st., where the Rev. Dr. William Y. Brown and David M. Stiger will make addresses.

BROOKLYN.

The boat in which six seamen belonging to the Austrian corvette Donau deserted the vessel on Friday night was found yesterday near North Eleventh-st.

Police signal boxes and patrol wagons will be placed at once in a few of the precincts and if they prove satisfactory the entire city is to be furnished with them.

Sewer Superintendent Goff was at work all day yesterday pumping out cellars. He says it will cost over $600 to repair the breaks in the streets caused by the storm.

The police found Christian Ahrends, age fifty, and his children in a starving condition yesterday at No. 332 Van Brunt-st. They had been without food for days. Two canary birds and a dove in the room were dead.

The attention of the health authorities has been called to the prevalence of eye diseases among the children taken to the hospitals from public institutions in New-York. Health Commissioner Otterson will ask Mayor Whitney to appoint a commission to investigate the matter.

Dr. John Shaw, Medical Superintendent of the Kings County Insane Asylum, says that Dr. Farley, formerly Medical Examiner of the 14th Regiment, has general paresis and is liable to suffer a convulsion at any time that would mean almost immediate death.

J. R. Maxwell, of the Long Island Railroad, said yesterday that the cable scheme of rapid transit in Atlantic-ave. had not been given up. The road proposes to reach Fulton-st. by Flatbush-ave., using the Kings County Railway Company's road in return for paying one-half the cost of its construction.

Professor Franklin W. Hooper, of the Adelphi Academy, will deliver two illustrated lectures on Glaciers before the Long Island Historical Society on the following dates: Tuesday evening, February 16, "The Glaciers of the Alps, a Study in Geology"; Tuesday evening, February 23, "The Glacial Period of the Earth's History, with special Reference to our local Geology and to the Early History of Man."

Frank Coffman, age twenty-one, a member of the 13th Regiment, was before Justice Walsh yesterday charged with bigamy by his wife, Kate, who lives at No. 418 Warren-st. with the prisoner's four children. Mrs. Coffman No. 1 says that her husband married Mary Hines, a servant at No. 32 Prospect-st., last month, and that this woman is now in Bernardsville, N. J. Coffman says that Mary threatened to commit suicide unless he married her. His plea of guilt was not accepted, and he was sent back to jail.

NEWS FROM THE SUBURBS.

MORE BURGLARIES IN WESTCHESTER COUNTY.

Chief of Police Lawrence, of Tarrytown, succeeded yesterday in arresting William Hannon, who has been wanted in that village for an attempted burglary on January 24. He is accused of attempting to break into the livery stable of William Knapp. On January 25 he began work at Shaft No. 10 of the new aqueduct. Yesterday he appeared in Tarrytown for the first time and was arrested. Justice Mann committed him to the County Jail at White Plains, to await the action of the Grand Jury.

The house of Edward Pinkney, at New-Rochelle, was visited by the "brace and bit" gang on Friday night, and robbed of silverware and clothing worth $200. There had recently been a number of burglaries in that neighborhood, which Mr. Pinkney was talking about one day in the street. He made the remark that burglars had not visited his house and he began to think that he was being neglected. He had all the attention that could be expected, however, on this occasion, for what the burglars did not carry away they destroyed.

JERSEY CITY.

NEW JERSEY.

HOBOKEN.—The unpleasantness existing between Colonel Hart and his officers was fully expressed at the battalion drill of the 9th Regiment on Friday night. The small attendance, lack of spirit and general expression of discontentment fully indicating that unless the bad feeling is speedily settled the regiment will go to pieces.

RAHWAY.—The Building and Loan Association which was started by the A. O. N. W. Lodge has met with great success, over 1,300 shares having been taken. The first regular meeting will be held to-morrow evening in the Savings Bank Building, at which the first loan will be made to the highest bidder. There is a scarcity of houses of moderate cost and land is cheap.

LONG ISLAND.

SAG HARBOR.—Citizens have subscribed $100,000 for the building of a new steamboat to run on the line to New-York during the coming summer. Captain Gibbs, who formerly commanded the Coit, will command the new boat.

ALONG THE SOUND.

BRIDGEPORT.—The lawyers of this city smile at Norwalk's proposition to take away the county court house, and declare that it cannot be done save by an act of the Legislature, and that it must go over under the rule regarding new business until the next session.

WESTCHESTER COUNTY.

A general rupture among the various local organizations constituting the Westchester County Sangerbund is anticipated at an early day in consequence of the decision arrived at in regard to the place selected for holding the next annual picnic and musical festival of the organization. It is understood that the Portchester Maennerchor and the New-Rochelle Maennerchor and the Teutonia Bund of Yonkers are dissatisfied with their treatment in the matter, and have threatened to withdraw.
