

COMING NEXT WEEK TO THEATERS HERE Various Attractions on Program at Playhouses.

"SPRING MAID" AT NATIONAL Geraldine Farrar in Great Film at the Belasco.

Another imported opera that has been a huge success here and abroad will be added to the repertoire of the Aborn comic opera and musical comedy company when "The Spring Maid" is presented at the New National Theater next week...

Of all the motion pictures ever made none has had a finer purpose than "Joan the Woman," in which Geraldine Farrar, the famous opera star, appears at the Belasco Theater all next week...

It shows to what heights a woman can rise when it comes to a moment of sacrifice. Historical and wonderful in pageantry it is, but the thing that will make it take rank with the greatest motion pictures of our time is the way Joan's great love story is woven through it.

Cecil B. DeMille, the producer of the picture, has created an epoch in photodramatic history with this artistic achievement.

B. F. Keith's Vaudeville. Dorothy Jordan, the prima donna, star of "Mrs. Sherry," and a stage beauty of international fame, will be the principal feature of the B. F. Keith Theater bill next week...

Poll's "The Heart of Wetona." The celebrated Charles Frohman-David Belasco Lyceum Theater success, "The Heart of Wetona," will be the offering of the Poll Players next week...

Loew's Columbia-Films. "The Jaguar's Claw," a photoplay that pictures Seaside Hayakawa in the title role, and "The Inner Shrine," a film version of the Basil King novel...

Garden-Films. William S. Hart, one of the real popular idols of Hildom, will headline the program at Moore's Garden Theater next Sunday, Monday, Tuesday, and Wednesday in his latest success, "The Desert Man."

Juice of Lemons Creates A Clear, Soft, Rosy Skin Tells women how to make a lemon beauty cream cheaply for the face, neck, arms and hands

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of Orchard White.

What Do You Know About Your Blood Supply?

Your ignorance may startle you. Few people know of the many functions of the blood supply, and it is just how important it is that it be kept absolutely free from all impurities. The health of the entire body depends upon the condition of the blood.
