ART SALE.
EXPOSITION
Art Sale!

The public are respectfully informed that there will be
NO AUCTION
 Of Pictures now on exhibition at the Art Halls of the Exposition; they are—such as have not been loaned by private parties—now on sale, and any information in regard to price, &c., will be furnished by Mr. Stafford or Dr. Durham, at their desk in the southwest gallery. The public have never had such an opportunity to purchase genuine works of art, and at such low prices. In nearly every instance the artist has put his picture at 25 per cent less than it could be obtained of him at his studio, as they are anxious to establish an art mart in Chicago. To encourage future contributions from the artists to our exhibitions, the public should purchase liberally.
