

THE CHIMNEY SWEEP.

Under the influence of the new humanity it is hard for the people of this generation to believe the stories that are told of sufferings inflicted on children in this country but a few years ago...

In that year he started in the House of Commons that to his personal knowledge a child of four and a half was being sent daily to sweep chimneys...

They had to be taken away and trained to their hideous work of pushing their way through the narrow, dark, and smoky...

Another Invention Needed. As the patent law is treated for his...
