RECREATION SUPERVISOR FINDS SPORTS BETTER THAN APPARATUS WORK.

William J. Lee, supervisor of recreation of the Park Department, is of the opinion that the greatest good to the largest number of children attending the city playgrounds is accomplished by field and track sports and not on horizontal bars and trapeze. In making this statement yesterday Mr. Lee said that carelessness often jeopardized the lives of youngsters who tried impossible things on the outdoor apparatus. As a next step the supervisor will have removed, except in certain playgrounds, all horizontal bars and trapeze, and will substitute instead the field and track games.
