The artist paints with pigments—the portraitist paints with light, and what his portraits lack in color is more than made up for in the truthful delineation of the individuality and character of the subject.

Portraits by Towles of Washington, Studio 1526 Conn. Ave., are made personally by Mr. Towles, who has won 66 honors in competitions in this country and abroad.

To get the full measure of satisfaction your portraits should be by Towles. Prices range from \$15 dozen up.
