

Ladies' Day
at the
Municipal
Pools

Instructor teaching arm movements.

(Photo by Staff Photographer.)

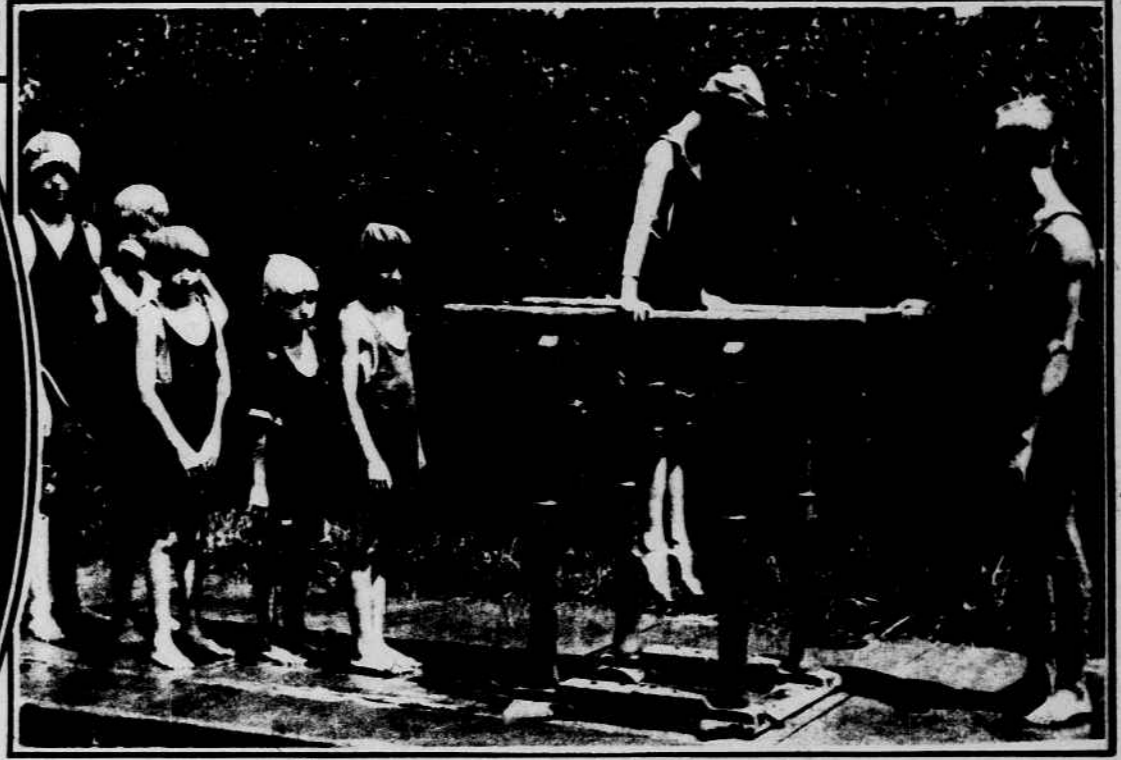

A rest between "dips."

Caught in midair.

The tiniest bather
at the pools.

To strengthen the arm and shoulder muscles.

"Keep both feet going," calls the instructor.

At the shallow end of the pool.

The sun bath.

A lesson in life-saving.

SUN GLASSES
—for wear while automobiling
or playing at the various sports
of present day. Lenses made to
suit your eyes.
