Today's styles clearly define the bust. Style artists have doctored the ill-fitting, flattening, pressing, tissue-destroying brassieres, and have given women a new charm and beauty with the bust line. YOUTHFORMS are the one support that serves two purposes—holding your bust in correct position and giving you that intimate charm of youth.
YOUTHFORMS' secret is in the elastic band which goes around the body, and the beautiful first quality pink Van Raalte's Swamex Silk forms which hold the bust in shape, removing all weight from them. Doctors and physical culture experts are endorsing YOUTHFORMS to correct sagging busts. Thousands praise YOUTHFORMS daily, for they are comfortable, restful, enjoyable to wear. Not sold in stores, because they are made to your individual measure. Order direct.
