SUN TAN
makes Maybelline more necessary than ever!

THE Sun tan complexion due to its darkness, tends to lighten the lashes and to reduce the brilliance of the eyes. Overcome this by furnishing suitable contrast for your eyes, in the form of darker, more luxuriant lashes. Your eyes will then appear vividly brilliant, larger, and your Sun tan complexion will be far lovelier.

But—be sure you darken your lashes with Maybelline, because *genuine* Maybelline produces the exact, desired effect instantly, harmlessly, and is easy-to-use.

Ziegfeld Girl

Every woman—whether small or tall—will find greater satisfaction in the exquisite new hosiery of Phoenix. Patterned after the proportions of Barbara Newberry, whom Florenz Ziegfeld declares the possessor of America's most beautiful legs—and knitted by a newly invented process—Phoenix stockings distinguish themselves from all others by their exceptional beauty and fit... Nearly 300 girls in five of his Broadway productions—each a beauty chosen from thousands—submitted their measurements in Mr. Ziegfeld's recent search for a perfect model for Phoenix. After viewing all the entrants and averaging their proportions, this famous judge of feminine loveliness pronounced Miss Newberry's legs not only ideal but also most typical of the majority of attractive women... Following the symmetrical lines of these faultless legs, Phoenix full-fashioned hosiery is now woven by the *Accurator* process. Patented and used only by Phoenix, this new device, which gauges every thread with the greatest precision, creates stockings of lovely quality, more subtle coloring and better shape. Whether you choose them in sunburn, suntan, flesh, gray or all-occasion shades, you will be charmed with the becomingness of these stockings. Fashion-correct and flattering, they increase the smartness of wearer and costume alike. \$1.50, \$1.95, \$2.95.

Florenz Ziegfeld's booklet, "How I Selected America's Most Beautiful Legs," will be sent free. Address, F. Ziegfeld, Room 501, Ziegfeld Theatre, Fifty-fourth Street and Sixth Avenue, New York City.
