The Sportlight by Grantland Rice

The Golf Widow's Divorce. A weary female stood in court before a judge quite grim; And looking up with abject mien she turned and spoke to him; "Your honor"—said she with a voice that bordered on a sigh—"I'd like to get a quick divorce—and tears stood in her eye; The Judge looked down upon her just a moment ere he said "What has your husband done that you are sorry that you wed? Can it be that he beats you—or holds out half his pay?" Whereat the female wept again and these sad words did say—

Chorus. "He only talks of stymies and of dormies— He only talks of 'hooks' that lost a bet; He plays this golf all day And at night he roves away Of putts he orter had—but didn't get; He says he orter had a sixty-seven— But the hundred that he took was far from right—I don't care if he should play This here golf every day If he wouldn't play it over every night."

Salaries. Grover Cleveland Alexander draws down a salary of \$5,400 a year. He signed for that amount and gamely stood by his signature.

The Case of Johnson. Johnson's case came up for discussion yesterday, and a Washington expert who had followed the club all season had this testimony to offer: "Last season Walter decided to try and develop a curve ball that he could use in place of speed. He stuck to the same system this spring, with the result that, while he pitched good ball, he was not as effective as he used to be.

By Connie Mack. Oft in the stilly night Ere slumber's chains have bound me— Fond memory brings the light Of other days around me— Of Collins' dash and Baker's smash— Of Eddie Plank and Bender— Before I ever got to be A petrified tailender.

Jeannette Outpoints Tennessee Boxer. Joe Jeannette had some slight advantage over Bill Watkins, of Tennessee, at the St. Nicholas A. C. last night.

The Earliest Lamps. The most primitive lamps were probably the skulls of animals in which fat was burned, while certain seashells were also employed for this purpose.

Sound the cymbals for two kinds of independence joy!

Rip things right up the back on the Fourth! Because it's the nation's birthday, and because Prince Albert tobacco has set free men who yearned for the joys of jimmy pipe "packing" and real cigarette makin's—

Kick-off the covers early. Let the orators pump patriotism into your spirit while you puff P. A. into your smokeappetite! And keep on puffing "P. A. forever" because it's the happiest, the truest tobacco you could wish to jam in a jimmy pipe or roll into a cigarette!

PRINCE ALBERT the national joy smoke

Open up a tippy red bag of P. A. (mighty handy for rollers) or a tidy red tin, like it was a package from home, then you'll know why men smoke Prince Albert and boom Prince Albert from one land's end to the other!

So, unlimber your jimmy pipes or makin's papers—and fire away! Because, men, Prince Albert will put new ideas of tobacco goodness into your system. Just write it down in your little diary, "Today I started smoking Prince Albert." This is the joy's time to become pals with P. A. and declare yourself for smoke happiness!

VOSHELL AND DIONNE VICTORS ON L. I. COURTS

Two Will Meet To-day for Singles Championship—Rain Halts Doubles.

S. Howard Voshell, former Eastern New York State champion, and G. A. L. Dionne, former team captain of the West Side Tennis Club, will meet this afternoon at 2:30 o'clock for the singles championship of Long Island in the annual lawn tennis tournament of the Kings County Tennis Club.

Those who made this prophecy, however, were not taking into account the strength and craftiness of Dionne's game, which is deceiving because of its softness. The West Side veteran has upset the plans of many a more prominent player than Goldman by his deep, high lobs and his easy forehand and backhand driving, and yesterday he trimmed Goldman with ease, as the score indicates.

NAVY BASE FOR ALASKA. Navy Department Believed to be Planning Establishment.

Washington, July 2.—A naval base in Alaska is believed to be projected by the Navy Department as a result of the construction of the Alaska Railroad and the development of the Alaskan coal fields.
