The Adaptable Chair of Mahogany-Cane
There is no combine in which utility and
attractiveness combine to better advantage.
Light in weight but strongly made of solid
mahogany and good stout cane, comfortable
in the extreme, with its broad variety in de-
sign and its soft, antique finish, a chair of
this type is a most desirable element in the
furnishing of any living room, library, or
hall.
We are showing many different styles in
mahogany-cane chairs. The three illus-
trated are priced especially low this week.
Some of the other prices are \$21.50, \$22.00,
\$27.00, \$30.00, \$33.00, \$39.00.
