TOPICS OF THE DAY IN WALL STREET

Studebaker Marked Up to 120, According to the Programme.

Speculative Whirl is Gayly Continued

French Exchange Passes 6.00, and a Guinea Must Now Do a Sovereign's Work.

The mark had been par for Studebaker on Saturday; it was 120 yesterday.

There are strong indications that the voluntary reorganization plan presented to the security holders of the Missouri Pacific Railroad will be declared operative.

The reorganization proposed by the board of directors of the company, approved of Kuhn, Loeb & Co., provided for an assessment of \$50 a share on the stock of the company and the exchange of existing securities for new issues.

Gold May Come from France. French exchange, in common with British, has been declining so rapidly of late that there is nothing surprising in its being quoted now at below—

Great Britain is not in as extreme position with regard to exchange with this country as we were at the worst time last year.

Public Utility Notes

The Kansas Gas and Electric Company, a subsidiary corporation of the American Power and Light Company, has acquired the electric light and power properties in Arkansas City and Eldorado, Kan.

Income of the Lake Shore Electric Railway Company for June showed a reduction of \$7,418 in gross and \$8,905 in net, while in the six months period ended June 30 there was a deficit of \$25,772.

Combined earnings of properties controlled by the United States Public Service Company amounted to \$72,349 in gross for June, an increase of \$1,882.

Buyers at Spuyten Duyvil. Patrick A. Powers, prominently identified with the motion picture industry, has purchased a tract of about four acres of waterfront property on the Hudson River at Spuyten Duyvil, N. Y.

SUCCESS OF "MOP" PLAN IS DOUBTFUL

Deposits of Securities Said to Be Too Small to Declare Plan Operative.

There are strong indications that the voluntary reorganization plan presented to the security holders of the Missouri Pacific Railroad will be declared operative.

The reorganization proposed by the board of directors of the company, approved of Kuhn, Loeb & Co., provided for an assessment of \$50 a share on the stock of the company and the exchange of existing securities for new issues.
