The Klan Rides Again

(Continued from Page 159)

employed as a paint sprayer at the Chevrolet Division of General Motors in that city. He is 48, native born, married, and has no children. Though he said in Macon he had never been tried by a jury nor found guilty of any wrongdoing, ADL lists Edwards as having a police record.

On August 22, 1955, the Southern Association of Attorneys General issued a formal statement opposing any rebirth of the Ku Klux Klan. In order to evade a subversive listing, Edwards organized his group as "The U. S. Klans, Knights of the Ku Klux Klans, Inc." and as such received approval from Georgia Attorney General Eugene Cook for a charter, which was granted on October 24, 1955, in Fulton Superior Court. With this official recognition, the way was paved to organize the group as a "secret fraternal organization whose membership rolls shall be protected."

On April 11, handbills were distributed on the streets of Macon, reading in part:

FOR ARYAN KNIGHTS OF THE KU KLUX KLAN RELIGION TO ARREST THE FLAMES OF BOLSHEVISM.

ARE YOU AN ARYAN CITIZEN? ARE YOU A KLANSMAN? IF NOT, WHY NOT?

HERE ARE THE TENETS OF THE KU KLUX KLAN RELIGION — Aryan — formerly called white — SUPREMACY.

For closer relationship between the Aryan Race and the Ku Klux Klan Religion of pure and undefiled Americana.

Protection of Aryan ladyhood. Preventing the causes of mob violence and lynchings.

Preventing foreign agitation. Preventing fires and destruction of human lives and property by lawless elements.

Stop foreign immigration.

Kill the United Nations Charter.

The separation of segregation of Christianity and Romanism and Judaism.

The separation of Church-and-Synagogue and the 48 State Governments and the District of Columbia.

Expose suppression of free speech and free press.

PLEASE REMEMBER THAT EVERY ROMAN OR JEWISH CONTROLLED NEWSPAPER IS FIGHTING THE KU KLUX KLAN RELIGION.

Shall you exchange your Aryan birthright for a mess of Romanism and Talmudism? And that's the Jew Zionist way of life.

THE QUALIFICATIONS FOR MEMBERSHIP IN THE KU KLUX KLAN RELIGION SHALL BE—

An applicant must be a white male Aryan person, a native-born of the 48 State Republics or District of Columbia of the segregated Union, who owes no allegiance of any nature or degree whatsoever to any foreign government or "Kol Nidre" power . . . a believer in the tenets of the KU KLUX KLAN Religion . . .

If you are an Aryan man, you need the Ku Klux Klan Religion, and your Klan needs you.

JOIN NOW. WRITE FOR INFORMATION NOW.

Box 3073
 MACON, GEORGIA

This handbill indicated that much more than segregation of the Negro was the aim of the KKK, for it had religious preju-
