SCHOOL INSPECTOR FOR FLORIDA PAYS AN OFFICIAL VISIT

Prof. W. S. Cawthon, state school inspector arrived in the city yesterday on an official visit, for the purpose of inspecting the Pensacola High school, and the Gonzalez Agricultural School. Accompanied by Superintendent of Public Instruction A. S. Edwards, Prof. Cawthon went to Gonzalez, looked over the school and made a short address to the students there.

He appeared delighted with condition of the school and stated that the county should feel proud that one of the three schools of its kind in the state should be owned by Escambia county. He commented on the work being done at the school, and expressed himself as pleased with conditions there.

He then went to the High School, housed temporarily in the tabernacle, and again addressed the students, expressing his wonder that such excellent arrangements could have been made with the building. He touched briefly on the qualifications for an accredited school, and stated that he felt certain that the local school would pass the tests, which are really a matter of the ability of individual teachers.

He said that it was pleasant to see that school was being held this year despite three fires and a forced removal, and that the spirit indicated that the term would be a great success.

How glorious and wonderful is the advent of another life. When a baby is born there comes into the world a new soul, the real American Beauty. When the hour arrives it should be the dawn of a new and perfect future. The joy of motherhood should be as free from fear and danger as it is possible to make it. BICYCLE CLUB PUTS ON TWO CONTESTS

The meeting of the Pensacola Cycle club last night was very good. The main topic was whether the club would continue activities throughout the winter, and a lively discussion followed finally ending in a 2 a vote which decided that the club would continue throughout the winter, assuring a strong organization for the holding of bicycle sports early next spring.

At the meeting two contests were started, one being a contest for securing members, the other a contest for the best attendance at meetings and on different gatherings. Three prizes will be given for the new members, and two prizes were given the club by T. T. Wentworth, Jr. for the attendance, one being a Solar electric light, other being a bicycle wrench. These prizes will be awarded the winners Feb. 15, 1918. Both contests start next Friday night, giving every member a chance to compete, also all new members joining the club next Friday night. The bicycle races were brought to the attention of all present and plans will be announced during the week for the different events to take next Saturday. The registration book is still open and all who desire entering the races will register before next Saturday.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

LOOK, MOTHER! SEE IF TONGUE IS COATED, BREATH HOT OR STOMACH SOUR.

"CALIFORNIA SYRUP OF FIGS" CANT HARM TENDER STOMACH, LIVER, BOWELS.

Every mother realizes after giving her children "California Syrup of Figs" that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping. When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat soar, has stomach-ache, diarrhoea, indigestion, colic—remember a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."—Adv.
