RED CROSS FAMILY REMEDIES

Many able Chemists and Doctors were called into service in perfecting this line of Red Cross Remedies. This is an age of Specialists, and while one may have distinguished achievements to his credit in one particular line, another is excelling in something else. That very thing makes it possible for us to have a Red Cross Remedy for each ailment, and enables us to give the consumer more than we promise or charge for. Each formula is compounded with as much care and precision as if our entire success depended upon that one Remedy. That's why NEUROTONE repairs shattered nerves, and Red Cross STONE ROOT and BUCHU puts your kidneys in a normal and healthy condition. Red Cross Remedies are not Patent Medicines. The formula is printed on each carton in plain English, so that you know what they are composed of and what you are taking. More than one hundred Red Cross Remedies and Toilet Preparations are sold and guaranteed only by D'Alemberte's Drug Store.—Adv.
