DAILY THOUGHT.

Despite the gloom and doubt of quitter and pessimist, your particular chances are excellent.—Herbert Kaufman.

A TRIBUTE TO DAD.

From a Soldier.

They think of us soldiers as heroes,
 And praise our names to the skies;
 They have tears for the one who is wounded
 And prayers for the one who dies,
 They write songs of our pals and our sweethearts
 And mothers so brave and sad;
 But name a great singer or poet
 Who's mentioned a word about Dad?

Poor Dad, with check book and troubles,
 He hasn't a look-in at all,
 It's Mother and pal and sweetheart
 And Sammy who answered the call.
 But Dad must be thinking and working
 In a store or mine or a mill
 To get the old round iron dollars
 To pay the big family bill.

He buys the new bonds by the dozen,
 Tho' his shoes are run down at the heel,
 And his overcoat's old and looks shabby,
 But you never hear old Daddy squeal.
 He doesn't write much of a letter,
 To his boy who is over in France,
 But sends him a crisp five or ten spot
 Whenever he has a good chance.
 And evenings when reading his paper
 And smoking his pipe or cigar,
 He thinks of his boy in khaki
 Says, "I hope it's well where you are."

Now, I think just a lot of my Mother;
 She's written each day I've been gone;
 And my pals and my friends and my sweetheart
 Have all helped to cheer me along;
 But my Dad is as good and is human,
 And sometimes I certainly feel
 That as Dad has to pay and to work
 Every day,
 I don't think he gets a square deal.

QUICK TRIP FROM ATLANTA.

One of the quickest of recent trips made from Atlanta to Pensacola was that of Mr. and Mrs. W. L. Argue, of Atlanta, and a party of relatives, who are guests of Mr. and Mrs. G. A. Fell, at Warrington.

The party left Atlanta, July 4th, at 5:30 o'clock, reaching DeFuniak Springs, their first stop, at 7:30 o'clock covering a distance of 295 miles in this short time. The trip was very pleasant all the way, with only one blow-out to mar its enjoyment.

In the party, besides Mr. and Mrs. Argue were their daughters, Misses Nell and Dorothy, and Miss Neil Argue, of Birmingham, Miss Jennie M. Sutherland, of New York, and Mr. Sidney Fell, Mrs. Argue will be pleasantly remembered as Miss Talulah Fell. Both she and Miss Sutherland have visited in Pensacola before. Miss Sutherland is a granddaughter of Mrs. M. A. Elliott.

Mr. Argue is well known in Pensacola, where he was a mechanic at the navy yard for several years. He is now superintendent of the Atlanta branch of the Cadillac company, and the trip was made in one of that company's cars.

SPEND PART HONEYMOON HERE.

Of considerable interest to numerous friends is the marriage of Mr. Roger Williams to Miss Mary Graves, which will be solemnized Thursday evening at 7 o'clock at the home of the bride's parents, Mr. and Mrs. W. Whetstone Graves, on Decatur and Finley avenues, says a Montgomery exchange.

To the strains of Lohengrin's wedding march the maid-of-honor and sister of the bride, Miss Mabel Graves, will enter, wearing a most becoming costume of braided white georgette crepe and a large picture hat. She will carry an arm cluster of Kilby roses. The bride will wear a smart traveling suit of taupe and a chic fall hat of navy blue satin, faced with taupe. Her flowers will be a shower bouquet of brides' roses and lilies of the valley. The ceremony will be performed by Rev. C. H. Holton, pastor of the Southside Baptist church, and the ring service will be used.

Immediately afterwards a reception will be given the young couple. The bride's book will be in charge of Mrs. J. H. Hamilton and punch will be served by Mrs. E. A. Graves, aunt Worthington, Mary Will Fretelle and Eleanor Munn.

Late in the evening Mr. Williams and his bride will leave for a short wedding trip to Mobile and Pensacola. Upon their return to Montgomery they will be at home to their friends on Clanton avenue.

REDS CROSS SURGICAL DRESSING SUPPLY GREAT NEED.

Women of the south who have toiled so long and so well in the making of surgical dressings at various Red Cross work-rooms will be interested in the report of Lieutenant Colonel H. Gideon Wells, American Red Cross commissioner to Rumania, showing to what good use some of their products were put.

Not only are surgical dressings being used in the Red Cross hospitals in Rumania, states Colonel Wells, but throughout Rumania the people are so destitute that the dressings are used as baby clothes and even in making garments for grownups. Many women wear them as head-bands.

It is just such help as this that is proving the salvation of many stricken peoples of Europe. Had it not been for the American Red Cross, they would have been totally without hope.

HIRSCH-OPPENHEIMER.

Friends in Pensacola will be interested to learn of the marriage of Miss Carmen Oppenheimer, the youngest daughter of Dr. and Mrs. L. S. Oppenheimer, Crescent Place, to Mr. Albert W. Hirsch, which took place June 8 at Dade City. The ceremony was performed by Rev. T. L. Barr, in the presence of only a few friends. The young people had decided to keep the wedding a secret until the announcements were sent out, but the facts became known, and they are now receiving the good wishes and congratulations of their friends.

Mrs. Hirsch is on short visit to a North Carolina resort and during her absence Mr. Hirsch is arranging for a permanent home for the young couple. Mr. Hirsch is in charge of the sale of commercial appliances for the Tampa Electric company. He is the son of Wm. A. Hirsch, prominent St. Louis architect. Prior to coming to Tampa the groom was in the aviation section of the U. S. army at Ellington Field, Galveston.

CAMP SEABREEZE TO REMAIN OPEN FOR MONTH OF JULY.

Camp Seabreeze, the delightful camp for girls, situated about ten miles up the sound and conducted under the auspices of the Patriotic League, has enjoyed a liberal patronage for June which insures its continuing open until the last of July—a fact which will be learned with pleasure by many girls who have planned to spend part of their vacation there. Everything is provided at the camp for the complete outdoor enjoyment of the girls and hot and cold running water and modern conveniences with splendid outdoor sleeping arrangements are found. Besides swimming, boating and other sports, the camp cooking is the finest to be found anywhere and a trained nurse is present at all times.

The camp not long since entertained as their guests on a delightful outing the little children of the Pearle Eagan Orphans Home and the home mother, Mrs. Eldredge.

It is urged that all girls who desire to avail themselves of the opportunity for an outing at the camp, apply immediately to Mrs. A. R. Back at the chamber of commerce rooms, phone 128, for reservation as only a limited number can be accommodated.

Ugh! Calomel Sickens; Salivates!

Please Try Dodson's Liver Tone

I am sincere! My medicine does not upset liver and bowels so you lose a day's work.

You're bilious! Your liver is sluggish! You feel lazy, dizzy and all knocked out. Your head is dull, your tongue is coated; breath bad; stomach sour and bowels constipated. But don't take salivating calomel. It makes you sick; you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or dealer sells you a bottle of Dodson's Liver Tone for a few cents under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and your bowels regular. You will feel like working; you'll be cheerful; full of vigor and ambition.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.
