BRYANT WASHBURN
"It Pays to Advertise"
A Paramount Picture
At The Isis Tomorrow

"It Pays to Advertise" With Bryant Washburn a Most Enjoyable Farce.

To everyone who has ever gone to college, Bryant Washburn's new Paramount-Paramount picture, "It Pays to Advertise," from the successful farce by Roi Cooper Megee and Walter Hackett, and which will be shown at the Isis theatre tomorrow will recall amusing memories of life and experiences at those institutions of learning. One of the first scenes in the picture shows Washburn as Rodney Martin, and several of his college pals, in a box at a girl show. During the performance, at the appearance on the stage of an effeminate-looking leading man, the boys proceed to shower him with eggs and cause so much disturbance, generally, that they are forcibly ejected and almost arrested.

The story centers around the pampered son of a millionaire, who when he returns home from college, refuses to go to work in one of his father's soap factories, reasoning that his father already has more money than they can both spend. Then father resorts to strategy and promises a fat bonus to his secretary if she will, by her wiles, persuade sonny to go to work.

The outcome of this is that son and secretary fall in love. This angers the father, who is determined that his son shall not marry a stenographer and he orders him out of the home. How the boy stakes all of his money and possessions on a scheme to build up a trade mark on soap and finally selling the trade mark to his father for a large sum of money, and then marrying the stenographer, is said to form one of the best plots in which the star has yet appeared.

Ed. C. Nutt Comedy Company

Last night one of the largest crowds that have attended the Ed. C. Nutt Tent show witnessed the great four act play "Your Sister and Mine," and to say that the play was thoroughly enjoyed by all is putting it too mildly. Round after round of applause greeted the action of the play proving beyond a doubt that this capable cast of play-

ers have met with the approval of the show going people of Pensacola. The one feature of this company is the fact that there is no waste. As soon as the curtain falls on the act of the play, a vaudeville act of the better kind entertains in a pleasing manner until the stage is ready for the next act. The play "Your Sister and Mine" is one of the newer kind of plays that contains every element that is needed to make a first class play. There is plenty of comedy, an abundance of heart interest blending with intense dramatic situations, and a pretty love story, making this a play that every class of show going people will enjoy. Tonight will be the last opportunity to witness this play, and to miss it will be to miss one of the best dramatic treatments of the season. Starting Friday and Saturday night with a 10c bargain matinee, Saturday afternoon at 3 o'clock the company will present the four act play, "Darkness and Daylight" a play that is guaranteed to be one of the best plays that was ever written.

Midred Austin Stock Company

Miss Austin in opening her season of up to the minute Standard Plays of the year with her capable company of dramatic artists cordially invites the ladies to be her guests at either performance on her opening, Monday Dec. 15 at the Liberty theatre which has been overhauled and new scenery, etc., installed.

Miss Austin wishes to assure the ladies that nothing but the cleanest legitimate play will be presented and that she will gladly present any play that the audience calls for. That matinee will be given every Monday, Wednesday and Saturday. (Special matinees on Christmas and New Years) and one night performance each week night. Between the acts specialties will be given and the whole will last about two and a half hour.

At the matinee the house will sell at 15c and 25c at the night performance the whole of the lower floor will be reserved at 50c and the balcony admission will be 25c.

The opening bill selected is a heart story of the down east fisher folks, one that should appeal to Pensacolians. "The Girl Across the Way." Remember the ladies are invited free to either performance on the opening day Monday Dec. 15, excepting the war tax of five cents.

At The Pastime Theatre

Under the title of "The Lieutenant and the Cop" the Wilson brothers offer an act commonly known as 'side walk' conversation. It is the thought that counts and their chatter is a continuous flow of fun. Every line has a meaning of its own and the meaning is laughter.

It would appear that Selznick has chosen very wisely in casting Olive Thomas in the title role of "The Glorious Lady," that charming star's new picture, which is the feature attraction at the Isis theatre today. Before her film debut Miss Thomas posed for practically all of the greatest artists of the day and her services were eagerly sought. She has been proclaimed by Harrison Fisher, famed wherever art is known, as the most beautiful woman in the world.

Andru Lewis stands six feet in his stockings. Helen Norton is a mere mite of femininity. The contrast in their statures is most effective and commands attention even before the pair open their mouths. Mr. Lewis is a comedian with a distinctive personality and an original manner, while his charming partner, Miss Norton is a breezy little ingenue and both are excellent dancers.

"In Those Days" is the title of their skit, which is an exceedingly clever and bright assortment of chatter, song and dance.

Both players are recruits from the legitimate stage, their most praiseworthy work probably being in George Ade's "The College Widow". It is as vaudevillians, however, that they prefer to be known, and it is in the two-day that they have most firmly established themselves.

WAKE UP FEELING FIT

Tennille's Liver Pills Will End the Common Trouble.

When the bowels are not functioning properly you can't have perfect health. If your bowels fail to act regularly at least once or twice a day attend to it at once. Take one or two of those little Tennille's Live Pills before retiring. You'll wake up feeling fine.

Tennille's Liver Pills are scientifically correct, being prepared from a formula of which any intelligent physician will approve. They do not gripe or sicken like calomel or other harsh laxatives but purg the body of its accumulated poisons gently.

Bottle of 25 pills, 25 cents at your drug store. Refuse all substitutes. There are no others "just as good" as Tennille's.

MISS GERTIE O. M.—You say you are 25 and look like 35. If you will try this wrinkle formula you will look like 20, and this is no exaggeration. Your actual results will prove it if you will make up your mind to use this formula, namely, every day, and use no other so-called wrinkle cream. Add two table-spoonfuls of glycerine and two ounces of epsom to a half pint of hot water. Keep stirring until they form a satiny cream. This is so economical that it can be used generously, and will hasten the result. It removes wrinkles, crows' feet and lines of age. The epsom can be obtained for not more than fifty cents at any drug store.

MRS. S. O. S.—Your hair should at once stop falling if you will use my hair formula. Every one who has tried it says it is perfectly astounding how it makes hair grow and stops hair falling. Get one ounce of beta-quinol from your druggist for 50 cents, and mix it with one pint of witch-hazel, or, if preferred, in one-half pint each of water and bay rum. Use this every day and your hair will be long, silky, beautiful hair will truly come true. In making up this mixture you will find it will give you over a pint of the hair grower at a smaller cost than that of any prepared hair treatment, and besides, you have the best you can get anywhere. It will not fail to give results.

MRS. B. O. T.—Your hair is little because of the soap and ordinary shampoos you have been using. You knew they all contain alkali. That dries up the natural oils. Now, just dissolve a teaspoonful of eggol in a cup of water and use as a headwash and you'll see how different your hair will be. All fatty accumulations and dandruff will disappear like magic. You'll never use anything else. Enough eggol can be obtained for twenty-five cents at the drug store for over a dozen of these shampoos. —Adv.

THEFT OF MONEY STILL MYSTERY

J. H. Collier, local agent for the Southern Express Company stated last night that there were no new developments in the robbery which occurred at the local office Tuesday. The young man Givens, who was being held by the police for investigation has been discharged from custody there being no evidence on which to hold him and no charge was placed against him by the Express Company. According to Mr. Collier, two packages of money, one containing \$397 and the other \$60 were placed in the combination safe, but later removed to the key-safe in the same office by one of the clerks.

Just when the money disappeared can not be learned but it is believed that it was stolen by someone who possessed a duplicate key. All of the employees of the office have been subjected to a rigid examination but no clue has been discovered.

Mr. Collier stated that detectives are at work on the case and will continue their investigation indefinitely. He also said that the Express Company did not make any charge against Mr. Givens or any one else, and that so far as the company was concerned his arrest was unauthorized.
