Plumbing Progress

What distinguishes the modern home today from the homes of ten or twenty years ago? Not the architecture, nor the size of rooms nor their size. The change that marks the progress of the years is most evident in the plumbing of the home.

Modern fixtures and pipe-fitting, conforming to sanitary laws and contributing to good health, are the most noteworthy improvements in home-building.

We are modern plumbers. The work we do, whether repairing a pipe or installing a complete bath room is high grade and reliable.

We use and install "Standard" Porcelain Enamelled plumbing fixtures and the fine of these widely advertised goods assure you high quality. The guaranteed excellence of "Standard" Ware is backed by our own reputation for handling only the best.
