

# Curo Grains of Life Free

No Longer any Excuse to Be Constipated, Weak Stomached, Weak Kidneyed, Weak Livered, Brain Fagged, Thin or Haggard.

If you are sick or ailing it is because the very foundation of your existence is gradually being dried up, the nerve force which radiates through every atom of your being is perishing. The brain and the nerves require nourishment just as much as the rest of the body.

The marvelous discovery, Curo Grains of Life, puts the stomach and bowels in perfect condition, restores your vitality and renews your old time strength and vigor by giving your nervous system the food it is craving. Rheumatism, neuralgia, headache, kidney disease, liver troubles, catarrh of the stomach and bowels, insomnia, and all weakened conditions of men and women quickly disappear, the hollows vanish, energy returns, and life is worth living once more. The red corpuscles in the blood are increased and everything that passes through the digestive tract is turned into good, solid, healthy flesh, instead of being undigested and unassimilated.

In order to let you test the truth of this for yourself, a trial package of Curo Grains of Life will be sent you by mail free, if you simply enclose a ten-cent stamp to L. C. Grains Co., 204 Pulsifer Building, Chicago, Ill., and you will simply be astounded at the wonderful results obtained from the free trial package alone.

The full size package of Curo Grains are only 50 cents and are sold in Madison by Daniel G. Smith.

### Wonderful Praise Accorded Peruna the Household Remedy

Mrs. Maria Goertz, Orienta, Oklahoma, writes: "My husband, children and myself have used your medicine, and we always keep them in the house in case of necessity. I was restored to health by this medicine, and Dr. Hartzman's valuable advice and books. People ask about me from different places, and are surprised that I can do all of my household work alone, and that I was cured by the doctor of chronic catarrh. My husband was cured of asthma, my daughter of catarrh and catarrh of the stomach, and my son of catarrh of the throat. When I was sick I weighed 100 pounds; now I weigh 140. I have regained my health again, and I cannot thank you enough for your advice. May God give you a long life and bless your work."

It takes more than a guarantee to equal Wunderhose—it takes a pretty high standard of quality and a knowledge of the true quality will outweigh the guarantee. The obligation the manufacturer assumes when he tells you that you are entitled, and do receive without question, new Wunderhose free for any that wear into holes within four months after purchase, is ample proof of value.

No child however hard on his feet, has any trouble with Wunderhose. Men and women who are annoyed by pediculators through the use of a stocking need have no further annoyance from that source.
