A MESSAGE TO WOMEN

Who Are "Just Ready to Drop." When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, and you get up as tired-out next morning as when you went to bed, you need help.

Miss Lea Dumas writes from Malone, N. Y., saying: "I was in a badly run-down condition for several weeks but two bottles of Vinol put me on my feet again and made me strong and well. Vinol has done me more good than all the other medicines I ever took."

If the careworn, run-down women, the pale, sickly children and feeble old folks around here would follow Miss Dumas' example, they, too, would soon be able to say that Vinol, our delicious cod liver and iron remedy, had built them up and made them strong.

It is a wonderful strength creator and body-builder, and we sell it under a guarantee of satisfaction. You get your money back if Vinol does not help you.

P. S. For any skin trouble try our Sazo Salve. We guarantee it.

FLORIDA AGAIN TO THE FRONT

Decision of Importance Handed Down By Attorney General of New York State.

GOOD FINANCIAL STANDING

Given Florida When New York Savings Banks Buy Jacksonville Municipal Dock Bonds.

Jacksonville.—That the following article, including the opinion of Attorney General Thomas Carmody, of New York, making Jacksonville's new \$1,500,000 municipal dock bonds legal investments for the savings banks of that state, will be read with great interest by patriotic citizens throughout the city and state is the opinion of many.

More than this, it is certain to be cut out and filed away for reference by officials of the state, counties and cities, as it not only gives Florida, financially speaking, a clean bill of health, but cites references that make the document one of special value to all officials as well as every lawyer and those interested in Florida's financial and future prospects.

This opinion was presented by City Attorney P. H. Odum, of Jacksonville, along with his official report and a statement from New York counsel to the ratification of the sale of the bonds.

Attorney Odum and Commissioner Henry G. Aird, chairman of the bond committee and finance committee of the port board, made a trip to New York City and Albany, N. Y., their mission resulting in not only unprecedented success, but also establishing an official basis, so far as the financial obligation and standing of Florida, that is certain to prove as valuable to the entire state in the future as in the tremendous influence and prestige gained by this decision.

SUMMER SCHOOL FOR FLORIDA CITY.

An Innovation in Education is Made By the City of St. Petersburg.

St. Petersburg.—The first summer school undertaken here was opened with between 25 and 30 pupils enrolled. Prospects are that this number will be doubled before the end of the week. Many of the parents of the children who enrolled visited the school to see the opening of the school and observe the interest and success that might be accorded the undertaking on the opening morning.
